## MEMORANDUM

To: Honorable Mayor and Town Council  
From: Steven J. Alexander, Town Manager  
Date: March 21, 2007  
Re: Selection of Kimley-Horn and Associates, Inc.

### REQUEST

**A RESOLUTION OF THE MAYOR AND TOWN COUNCIL OF THE TOWN OF CUTLER BAY, FLORIDA, APPROVING SELECTION OF KIMLEY-HORN AND ASSOCIATES, INCORPORATED AS THE HIGHEST RANKED FIRM FOR THE DEVELOPMENT OF THE TOWN'S STORMWATER MASTER PLAN; AUTHORIZING THE TOWN MANAGER TO NEGOTIATE A PROJECT AGREEMENT AND IMPLEMENT THE TERMS AND CONDITIONS OF THE AGREEMENT; AND PROVIDING AN EFFECTIVE DATE.**

### RECOMMENDATION

My recommendation is that the Town Council approve the proposed resolution which, authorizes the Town Manager to negotiate a project agreement with the highest ranked engineering firm, Kimley-Horn & Associates, for the development the Town's Stormwater Master Plan, and to execute such agreement if successfully negotiated. Funding is available from the \$ 200,000 grant awarded by the South Florida Water Management District, to develop a Stormwater Master Plan.

### BACKGROUND AND ANALYSIS

As a new municipality founded in November 2005, preparation of a stormwater master plan reflects a high priority initiative for the Town. The success of the stormwater master plan will provide the key to supporting the Town's effort of creating a Storm Water Utility to plan, construct, operate and maintain a Storm Water Management System. This will allow the Town to assume responsibility for stormwater management and utilize stormwater utility funds from Miami-Dade County.

The objective of the Stormwater Master Plan is to map the stormwater collection and distribution system, identifying issues of concern within that system and planning for improvements to the system so it can better serve the Town's residents and businesses.

## Office of the Town Manager

On February 2, 2007, pursuant to Section 287.055 Florida Statutes, [the Consultants Competitive Negotiation Act or "CCNA"], the town staff issued a Request for Qualifications (RFQ), for the development of a Stormwater Master Plan. The Town received seven (7) submittals from various engineering firms, prior to the February 27, 2007 submittal deadline. The Town's Selection Committee, which was comprised of the Planning, Parks & Recreation, and Public Works Director, was formed to review the proposals. The Selection Committee short-listed four (4) firms: Craig A. Smith & Assoc., E.A.C. Consulting Inc., Kimley-Horn & Associates, and the Corradino Group.

On March 5, 2007, the Selection Committee interviewed the short-listed firms and thereafter ranked Kimley-Horn Associates number one (1) and E.A.C. Consulting Incorporated number (2).

The number one (1) ranked consultant (Kimley-Horn and Associates) has successfully developed identical Stormwater Master Plans, which were funded by the South Florida Water Management District, for both the Town of Miami Lakes and the Village of Palmetto Bay. Town staff has reviewed both municipalities' Master Plans and is confident that the consultant can provide the Town a high quality standard plan that will meet the Town's needs and the South Florida Water Management District's requirements. Pursuant to the CCNA and the RFQ, if the Town Manager is unable to negotiate a satisfactory agreement with the number one ranked firm, he shall attempt to negotiate an agreement with the second ranked firm.

### SCOPE OF WORK:

The consultant shall complete the following five tasks in two phases in their entirety in order to assure a comprehensive process that will meet the objectives of this project.

- Task 1: Information Gathering and Mapping
- Task 2: Basin and Sub-Basin Delineation
- Task 3: Basin and Sub-Basin Prioritization
- Task 4: Priority Sub-Basins Modeling and Analysis
- Task 5: Capital Improvement Program Stormwater Planning

Tasks 1 through 3 of this project are essential components in developing the necessary information that will allow evaluation of the effects of varying land uses within the Town and will help to establish the basis for comprehensive land use decisions. Data to be collected includes, but is not limited to , land surface and ground water elevations, existing stormwater management infrastructure, soil characteristics, water quality data, the ability of canals to convey stormwater and ground water table elevations. In task 4, a computer model will be used to calculate flows and pollutant loads to downstream water bodies and analyze the timing and distribution of stormwater discharged through the watershed. This model will also be capable of comparing stormwater impacts associated with alternative future land use scenarios and identifying stormwater projects that will minimize the impacts. Task 5 will provide for developing the framework of the Town's Capital improvement Program as it relates to stormwater management.

## Office of the Town Manager

Additionally, the development of the Town's Stormwater Master Plan is identified as one of the Public Works Department's strategic goals (Goal: 9.1) in the Town's adopted Strategic Plan. Goal 9.1 reads as follows:

DEVELOP THE TOWN OF CUTLER BAY INTO A MODEL COMMUNITY FOR THE CONDITION OF ITS ROADS, STREET LIGHTING, STORM DRAINAGE FACILITIES, SWALE MAINTENANCE, SIDEWALKS, ETC.

Strategic Initiative: (Goal 9.1)

Work with the County and the South Florida Water Management District to develop and implement a Town Master Drainage plan that addresses enhancement, replacement, and maintenance issues including canal maintenance.

Re: Amended Interim Budget for Fiscal Year 2006

---

### **REQUEST**

**A RESOLUTION OF THE MAYOR AND TOWN COUNCIL OF THE TOWN OF CUTLER BAY, FLORIDA, ADOPTING THE AMENDED INTERIM BUDGET FOR THE GENERAL FUND OF THE TOWN FOR THE PARTIAL FISCAL YEAR WHICH BEGAN NOVEMBER 2, 2005 AND ENDED ON SEPTEMBER 30, 2006 PROVIDING FOR SEVERABILITY AND AN EFFECTIVE DATE.**

### **BACKGROUND AND ANALYSIS**

The prior fiscal year interim budget for the General Fund of the Town of Cutler Bay (the "Town") was adopted via Ordinance 06-14. Given the start-up nature of the first interim fiscal year, many assumptions had to be made in the adopted interim budget regarding anticipated revenues and expenditures, some of which were to be allocated to the Town by Miami-Dade County (the "County") and were beyond the control of the Town.

As a result of the above factors, actual expenses for certain departments exceeded amounts in the adopted interim budget. Total actual expenses of the General Fund for the interim fiscal year ended 9/30/06, however, are well below budget.

Additionally, as to timing, the Town did not receive the County's final report of revenues and expenditures allocable to the Town for the interim fiscal year ended 9/30/06 until mid-December 2006 and, the Town and its consultant (Dr. David Morris) did not complete its review of such report with the County until March 2007.

**Office of the Town Manager**

**RECOMMENDATION**

Accordingly, based on the foregoing, it is recommended that a resolution be passed by the Mayor and Town Council adopting an amended interim budget for the General Fund of the Town for the partial fiscal year ending 9/30/06 which transfers \$110,000 unused budgeted amounts from the Police department to the following departments:

Town Clerk	\$ 45,000
Town Attorney	65,000

	\$ 110,000

**WHEREAS**, it is necessary to adopt a final revised interim Town of Cutler Bay (“Town”) budget for the General Fund for the prior fiscal year, which concluded on September 30, 2006, as provided herein.

**NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND TOWN COUNCIL OF THE TOWN OF CUTLER BAY, FLORIDA, AS FOLLOWS:**

**Section 1. Recital Adopted.** That the recital set forth above is hereby adopted and confirmed.

**Section 2. Budget Amended.** That the prior fiscal year adopted interim budget for the General Fund of the Town of Cutler Bay, as originally adopted via Ordinance 06-14, is hereby amended as described in the attached Memorandum from the Town Manager, a copy of which Memorandum is attached hereto and incorporated herein, so as to maintain a fully balanced and conformed budget.

**Section 3. Severability.** That the provisions of this Resolution are declared to be severable and if any section, sentence, clause or phrase of this Resolution shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses, and phrases of this Resolution but they shall remain in effect, it being the legislative intent that this Resolution shall stand notwithstanding the invalidity of any part.

**RESOLUTION NO. 07-\_\_\_\_\_**

**A RESOLUTION OF THE MAYOR AND TOWN COUNCIL OF THE TOWN OF CUTLER BAY, FLORIDA, URGING THE FLORIDA LEGISLATURE TO ABOLISH THE PROHIBITION AGAINST ADOPTION BY HOMOSEXUALS IN THE STATE OF FLORIDA.**

**WHEREAS**, the State of Florida is the only state in the United States which expressly prohibits homosexuals from adopting children; and

**WHEREAS**, Florida's ban on adoption by homosexuals in Chapter 63 of the Florida Statutes has existed for almost 30 years and is an out-dated vestige of a 1977 movement to discriminate against gay and lesbian individuals; and

**WHEREAS**, there is no evidence that children of gay or lesbian parents are harmed because of their parents' sexual orientation; to the contrary, The American Psychological Association has concluded that "home environments provided by gay and lesbian parents are as likely as those provided by heterosexual parents to support and enable children's psychosocial growth;" and

**WHEREAS**, in 2005, the American Academy of Pediatrics commissioned a study which concluded that "[m]ore than 25 years of research has documented that there is no relationship between parents' sexual orientation and any measure of a child's emotional, psychosocial, and behavioral adjustment" and that data demonstrates "no risk to children as a result of growing up in a family with 1 or more gay parents;" and

**WHEREAS**, in view of the lack of evidence to support the conclusion that children of gay or lesbian parents are any less likely to grow up as happy, healthy, and well-adjusted as children of heterosexual parents, there is no rational basis or moral justification to continue Florida's ban on adoption by gay and lesbian individuals; and

**WHEREAS**, since the Florida ban was enacted, public opinion indicates that there is greater acceptance and support for adoption by members of the gay and lesbian community; and

**WHEREAS**, it is estimated that the total number of children nationwide living with at least one gay parent ranges from 6 to 14 million and that, within the State of Florida alone, more than 5,000 children are now in foster care available for adoption; and

**WHEREAS**, there is a critical shortage of adoptive and foster parents in the United States, as well as within the State of Florida, which results in many children not having a permanent home despite the availability of qualified adoptive gay and lesbian individuals.

**NOW, THEREFORE, IT IS HEREBY RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF CUTLER BAY, FLORIDA, AS FOLLOWS:**

**Section 1. Recitals.** That the above stated recitals are true and correct and incorporated herein by this reference.

**Section 2. Abolishment of Prohibition.** The Florida Legislature is hereby urged to abolish the restriction against homosexual adoption contained in the Florida Statutes and the City Clerk is hereby directed to forward a copy of this Resolution to Florida Governor Charlie Crist, Florida Senate President Ken Pruitt, and Florida House Speaker Marco Rubio.

**Section 3. Effective Date.** That this Resolution shall become effective immediately upon adoption hereof.

City of Miami Beach  
Office of Mayor David Dermer

Dear Mayor Paul Vrooman:

As you are aware, Florida is the only state in the nation with a state law that explicitly prohibits gay men and women from applying for adoption. The law was put into place 30 years ago. It was wrong then and it's wrong now. Its removal is long overdue.

Last month, I brought a Resolution urging the Governor and Legislature to abolish the prohibition against gay adoption to the Miami Beach City Commission, which was approved unanimously at our January 18 meeting. My office has since received more than 700 supportive e-mails from across Florida.

Attached is the Resolution. I would respectfully ask that you present your Commission or Council with the opportunity to support the Resolution and unify with an even stronger message to the Governor and Legislature.

With your support and the support from other Mayors, we can delete the 16 words in the Statute that explicitly prohibits gay men and women from adopting, and thus remove Florida as being the only state in the nation that holds onto that out-dated vestige of a 1977 movement to discriminate against gay men and women.

Best Regards,

David Dermer  
Mayor

  - (5) The names and addresses of corporate officers.
- (b) The affidavit shall be filed with the Town.
  - (c) On an annual basis, prior to renewal, the Town will send out a questionnaire and will require all licensees receipt holders to fill in the appropriate information in order for the Town to update its files and determine the correct amount to charge as a license fee local business tax.

**Sec. 5. Violations; penalties.**

- (a) Any person convicted of violating this article, or of making a fraudulent return, shall be punished as provided by subsection (e) of this section, in the discretion of the court, and in addition such person shall be penalized a sum equal to 25 percent of any license fee local business tax avoided or evaded by and through the medium of such fraudulent return.

- (c) No person shall engage in or manage any business, profession or occupation without first obtaining from the Town a license receipt for each separate location in the Town and paying the amount set forth in this article. Any person engaging in or managing any business, occupation or profession mentioned in this article between October 1 and November 1 of each year without first having complied with the provisions of this article and paying the amount of license local business tax as provided for in this article shall be declared delinquent. (d) A ~~license~~ receipt shall be required to cover each and every business advertised by sign, newspaper, magazine or otherwise. Such advertisement shall be considered evidence of conducting the business advertised and shall be a sufficient predicate for conviction by the court or other enforcement authority. Such ~~license~~ receipt shall be issued to cover each and every location of such business, and the assessment and amount of such ~~license~~ local business taxes are classified and fixed per annum unless otherwise specified.

(e) Any person who violates any provision of this article shall, upon conviction, be punished by a fine not to exceed ~~\$500.00~~ \$250.00 ~~or imprisonment in the County jail not to exceed 60 days, or both such fine and imprisonment. #### **Sec. 6. Grounds for denial of ~~license~~ a local business tax receipt.**

#### **Sec. 7. Appeal of denial of ~~license~~ receipt.**

Any person whose application for a ~~license~~ receipt under this article has been rejected shall have a right to appeal the decision of the Town ~~licensing~~ local business tax official to the Town Manager by appropriate written petition.

#### **Sec. 8. Revocation of ~~license~~ receipt.**

(a) Notwithstanding any other section in this article to the contrary, the privilege of doing business within the Town allowed by the issuance of an ~~an occupational license~~ local business tax receipt will be subject to a summary administrative revocation by one written 30-day notice of revocation issued to the ~~license~~ receipt applicant by the official designated by the Town Manager, if it is determined that one or more of the following conditions exist:

### **Sec. 9. Display of ~~license receipt~~.**

Re: **GRANTING ADMINISTRATIVE AUTHORITY TO THE TOWN MANAGER TO SET SERVICE AND USER CHARGES FOR MUNICIPAL SERVICES**

---

**REQUEST**

**AN ORDINANCE OF THE MAYOR AND TOWN COUNCIL OF THE TOWN OF CUTLER BAY, FLORIDA, GRANTING ADMINISTRATIVE AUTHORITY TO THE TOWN MANAGER TO SET SERVICE OR USER CHARGES FOR MUNICIPAL SERVICES PURSUANT TO SECTION 4.3 ENTITLED "ORDINANCES" OF THE TOWN CHARTER; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR CONFLICTS; AND PROVIDING FOR AN EFFECTIVE DATE.**

**BACKGROUND AND ANALYSIS**

In accordance with Section 8.4 of the Town Charter concerning taxes and fees, all fees imposed within the Town by Miami-Dade County have continued in effect as if they had been assessed by the Town. In addition, Section 8.1 of the Town Charter entitled "Temporary Nature of Article" provides that each section of Article 8 shall become ineffective at such time as the implementation of such section has been accomplished.

Pursuant to Section 4.3. (A) (5) of the Town Charter an ordinance is required to "set service or user charges for municipal services or grant administrative authority to set such charges." These municipal charges include, but are not limited to, all fees established for participation in recreational programs and for use of park and recreation facilities. Subsequent to the adoption of this ordinance, an administrative fee schedule will be established for municipal services within the Town.

The first fee schedule that Town staff intends to establish relates to parks and recreational programs, activities, and facility rentals. The Parks and Recreation Department has conducted an assessment of the fees currently in place. Notably, most of the proposed fees that will be provided for on the parks and recreation fee schedule will remain the same as the County's fees. However, the Town will be assessing several new fees that are not currently in place, as well as a few fee increases.

## Office of the Town Manager

In addition, as a part of the parks and recreation fee schedule, we intend to implement fee reduction guidelines so that all Town residents may have access to all programs and activities. Many municipalities, as well as Miami-Dade County, allow low-income residents to participate in recreation programs at a reduced rate. In keeping with standard practices, Town staff anticipates establishing fee reduction guidelines that provide for a 25%, 50%, or 100% fee reduction depending on household size and household income levels. The fee reduction guidelines are based on the 2006-2007 Federal Poverty Guidelines that are used for free and reduced lunch programs at most public schools. As required by Miami-Dade County, the Town's fee schedule and reduction guidelines would also apply to program participants who do not reside within the Town. The proposed fee schedule and recommended fee reduction guidelines that will be established administratively are attached for your review

### **RECOMMENDATION**

We recommend that the attached ordinance be adopted granting administrative authority to the Town Manager to set service or user charges for municipal services.

Re: Revisions to Section 33-20 (c) pertaining to swimming pools

As Town staff continues to review Chapter 33 of the Town Code, staff realizes that there are a number of relatively minor revisions that will make the Code more user friendly for the residents of the Town and more in keeping with the direction of the Town with respect to lifestyle. This proposal is a step towards implementing Goal 9.1 of the Strategic Plan; which calls for the town to become "a model" in terms of addressing drainage.

### **REQUEST**

That the Town Code be amended as outlined in the accompanying ordinance.

The following is a summary of the proposed changes to the Town Code:

- That Section 33-20. "Accessory buildings; utility sheds; swimming pools; fallout shelters; boat storage.", be amended to remove, as a factor, the presence or absence of a screen enclosure in determining whether or not to count the pool and pool deck as part of lot coverage and drainage calculations. Instead, all pools and pool decks, whether attached to or detached from the principal building, would be calculated to determine if sufficient area remains in the rear yard to provide for drainage and water runoff.

### **BACKGROUND AND ANALYSIS**

#### **Background**

Currently, the referenced section of the Code provides that if a pool is within a screen enclosure which is attached to a principal building then it is considered an

## **Planning & Zoning Department**

accessory building for purposes of lot coverage. But if the pool, whether screened or unscreened, is detached from the principal building it is considered an accessory use and therefore is not calculated as part of lot coverage.

Additionally, when pools and their associated decking are not calculated as part of lot coverage they are also not being calculated for drainage and water runoff purposes. In low lying areas with many pools this could increase the chances of localized flooding.

### **Analysis**

This original provision of the Dade County Zoning Code, as written in 1957, which now acts as the Town Code provides for an inconsistent definition of lot coverage. This is because whether or not a swimming pool is calculated as part of the lot coverage is dependent on whether or not a screen, within which it may be enclosed, is attached or detached from the principal building. The presence or absence of screening has nothing to do with drainage.

It is staff's finding that all pools and decks should be considered as part of lot coverage.

### **RECOMMENDATION**

Approval of the proposed revisions so as to adequately take into account drainage impacts of pools and decks.

**ORDINANCE NO. 07- \_\_\_\_**

**AN ORDINANCE OF THE MAYOR AND TOWN COUNCIL OF THE TOWN OF CUTLER BAY, FLORIDA, AMENDING CHAPTER 33 “ZONING” SECTION 33-20. “ACCESSORY BUILDINGS; UTILITY SHEDS; SWIMMING POOLS; FALLOUT SHELTERS; BOAT STORAGE” OF THE TOWN CODE OF ORDINANCES TO PROVIDE THAT SWIMMING POOLS SHALL BE COUNTED FOR PURPOSES OF LOT COVERAGE; AND PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, the Town of Cutler Bay (the “Town”) Code of Ordinances (the “Town Code”) distinguishes between swimming pools that are detached or attached to the principal building for purposes of lot coverage; and

**WHEREAS**, the connection is distinguished in some cases only by the connection of the screened enclosure of the pool and the house; and

**WHEREAS**, rainwater is a critical element in recharging the aquifer and the creation of new impervious surfaces could exacerbate flooding within areas of the Town; and

**WHEREAS**, Town staff recommends amending the Town Code to provide that all swimming pools, regardless of whether or not such pools are attached to the principal building, shall be counted for purposes of lot coverage; and

**WHEREAS**, public notice was provided in accordance with law; and

**WHEREAS**, the Town finds that these changes are consistent with the Miami-Dade County’s Comprehensive Development Master Plan, which now functions as the Town’s Comprehensive Plan; and

**WHEREAS**, the Town Council finds these changes to be in the best interest and welfare of the Town.

**NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND TOWN COUNCIL OF THE TOWN OF CUTLER BAY AS FOLLOWS:**

**Section 1. Findings.** The foregoing “Whereas” clauses are hereby ratified and incorporated as the legislative intent of this Ordinance.

**Section 2. Amendment to Chapter 33 of the Town Code.** Article I “In General” of Chapter 33 “Zoning” of the Town Code of Ordinances shall be amended as follows:

**Sec. 33-20. Accessory buildings; utility sheds; swimming pools; fallout shelters; boat storage.**

\*\*\*

(c) *Swimming pools.* Swimming pools in all districts shall be constructed no closer than five (5) feet to any building foundation, unless both the design and construction are approved by the ~~Director~~ town building official as safe and will not possibly result in a weakening of or damage to the building foundation. In no event shall said pools be closer than eighteen (18) inches to any wall or any enclosure. ~~Screen enclosures, enclosing swimming pools or other approved uses, where attached to the principal building, shall be permitted no closer to the front property line than the principal building; and if so attached, such enclosures shall not be considered as a part of such residence or building, but shall be considered as an accessory building for purposes of lot coverage only.~~ Swimming pools, whether or not enclosed within screen enclosures, ~~that are not attached to the principal building, and other permitted detached screen enclosures,~~ shall be considered as accessory ~~uses~~ buildings for purposes of lot coverage. A pool deck, as a percent of lot coverage, shall be based on the permeability factor of the material used for said deck. Such uses shall be permitted no closer to the front property line than the principal building and shall be setback at least seventy-five (75) feet from the front property line. In addition to the above and foregoing, the following setbacks shall apply:

(1) Minimum setback distances for swimming pools in any RU Districts shall be ten (10) feet from any interior side property line, twenty (20) feet from a side street property line, and seven and one-half (7 1/2) feet from a rear property line, except that where the pool is accessory to other than one-or two-family residential use, the minimum setback distance from a side street property line shall be five (5) feet greater than required for the principal building.

(2) Screen enclosures enclosing swimming pools or other approved uses in all RU Districts shall be setback a minimum distance of seven and one-half (7 1/2) feet from any interior side property line, fifteen (15) feet from any side street property line and six (6) feet from the rear property line, except that the minimum setback distance from a side street property line for a screen enclosure accessory to other than one- or two-family residential use, shall be the same as required for the principal building.

(3) Minimum setback distances for swimming pools in EU-M and EU-S Districts shall be twenty (20) feet from any interior side property line, thirty (30) feet from any side street property line and seven and one-half (7 1/2) feet from a rear property line.

(4) Screen enclosures enclosing swimming pools or other approved uses in EU-M and EU-S Districts shall be setback a minimum distance of fifteen (15) feet from any interior side property line, twenty-five (25) feet from any side street property line and six (6) feet from a rear property line.

# MEMORANDUM

Re: Revisions to Sections 33-126, 127 and 132.1 pertaining to parking areas in residential districts

As Town staff continues to review Chapter 33 of the Town Code, staff realizes that there are a number of relatively minor revisions that will make the Code more user friendly for the residents of the Town and more in keeping with the direction of the Town with respect to lifestyle. This proposal is a step towards implementing Goal 9.1 of the Strategic Plan; which calls for the town to become "a model" in terms of addressing roads and swale areas.

## REQUEST

That the Town Code be amended as outlined in the accompanying ordinance.

The following is a summary of the proposed changes to the Town Code:

- That Section 33-124. "Standards.", be amended to require parking spaces associated with single-family dwelling units be hard-surfaced.
- That Section 33-126. "Surface of parking areas.", be amended to reflect the type of hard-surfaced material that are allowed in the specified zoning districts.
- That Section 33-126. "Surface of parking areas.", be amended to reflect that it is a violation of town code to have off-street parking located on non-hard-surfaced areas.
- That Section 33-126. "Surface of parking areas.", be amended to include a maximum area for off-street parking in the front yard area.

## **Planning & Zoning Department**

- That Section 33-127. “Districts where parking area permitted between setback line and right-of-way.”, be amended to delete reference to a zoning district that is not in the town and to clarify that RU-1, RU-2 and RU-3 (up to four unit apartment buildings only) zoning districts may use the front, side and side street areas for off-street parking so long as said areas meet the requirements in Section 33-126, as proposed.
- That Section 132.1. “Parking in swale areas within residential zoning districts.”, be added to allow, upon application to the director of public works, parking for one vehicle on an improved surface as outlined in Section 33-126. This would only allow for one auto or light truck to be parked in a safe and orderly manner. The parking of boats, trailers or campers would still be prohibited in the swale area. This section also states the factors that the director will use in consideration of any application.

## **BACKGROUND AND ANALYSIS**

### **Background**

Currently, the referenced sections of the Code provide allowances for parking on grass or dirt surfaces, which is environmentally unsound. The intent of these revisions is to require all parking surfaces to be surfaced in some manner and to limit the maximum size of parking in the front yard area.

Additionally, other new provisions address the need for increased parking in residential areas by including allowances for parking in the public right-of-way swale under certain and limited conditions as provided for in proposed Section 33-132.1.

### **Analysis**

This original provision of the Dade County Zoning Code, as written in 1957, which now acts as the Town Code provides for a different time in the County’s history. In analyzing this issue staff reviewed the parking codes of a variety of municipalities within South Florida and determined that the proposed revisions are an appropriate course of action.

## **RECOMMENDATION**

Approval of the proposed revisions that pertain to off-street parking areas in residential districts.

**ORDINANCE NO. 07- \_\_\_\_\_**

**AN ORDINANCE OF THE MAYOR AND TOWN COUNCIL OF THE TOWN OF CUTLER BAY, FLORIDA, AMENDING CHAPTER 33 “ZONING” OF THE TOWN CODE OF ORDINANCES RELATED TO PARKING; PROVIDING THAT OFF-STREET PARKING SHALL BE PERMITTED ONLY ON SURFACED PARKING AREAS; PROVIDING FOR THE MAXIMUM AREA PERMITTED FOR OFF-STREET PARKING AREAS WITHIN CERTAIN ZONING DISTRICTS; PROVIDING FOR SURFACED PARKING AREA MATERIALS FOR OFF-STREET PARKING; CREATING SECTION 33-132.1 “PARKING IN SWALE AREAS IN RESIDENTIAL ZONING DISTRICTS” PROVIDING FOR RESTRICTIONS AND REGULATIONS FOR PARKING IN THE SWALE AREAS WITHIN RESIDENTIAL ZONING DISTRICTS; AND PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, the Town of Cutler Bay (the “Town”) has determined that the general appearance of the streetscapes within the Town contribute directly to, or detract directly from, the property values and the quality of life within the Town for its residents, businesses, and visitors; and

**WHEREAS**, motor vehicles parked on non-surfaced areas, including but not limited to, front yards and the swales within the right-of-way, detract from the potential for increasing property values and the quality of life within the Town for its residents, businesses, and visitors; and

**WHEREAS**, Town staff recommends limiting off-street parking and parking in the swale within the right-of-way in order to create an aesthetically pleasing environment and to ensure that there is adequate passive recreationally open space; and

**WHEREAS**, Town staff also recommends amending the materials that are permitted for construction of surfaced parking areas, to provide the maximum benefit of these areas which were created and designed to provide stormwater management and aquifer recharge; and

**WHEREAS**, public notice was provided in accordance with law; and

**WHEREAS**, the Town finds that these changes are consistent with the Miami-Dade County’s Comprehensive Development Master Plan, which now functions as the Town’s Comprehensive Plan; and

**WHEREAS**, the Town Council finds these changes to be in the best interest and welfare of the Town.

**NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND TOWN COUNCIL OF THE TOWN OF CUTLER BAY AS FOLLOWS:**

**Section 1. Findings.** The foregoing “Whereas” clauses are hereby ratified and incorporated as the legislative intent of this Ordinance.

**Section 2. Amendment to Chapter 33 of the Town Code.** Article VII “Off-Street Parking” of Chapter 33 “Zoning” of the Town Code of Ordinances shall be amended as follows:

**Sec. 33-124. Standards.**

Off-street parking shall be provided in accordance with the following minimum standards:

(a) *Dwellings:*

(1) Single-family dwellings not specifically referenced elsewhere in this section shall be provided two (2) parking spaces. Paving of said spaces shall ~~not~~ be required in accordance with section 33-126 of the town code.

\*\*\*

**Sec. 33-126. Surface of parking areas.**

(1) Off-street parking shall only be permitted on surfaced parking areas as provided for in this article. In the AU, RU-1, ~~EU~~, RU-2 and RU-3 Districts the area reserved for off-street parking shall be ~~either graveled, mulched or~~ hard-surfaced, including, but not limited to, pavers, concrete, or asphalt materials. In all other zoning ~~districts~~ it shall be hard-surfaced, which shall be limited to concrete or asphalt materials. ~~Where the parking area is hard surfaced, the same shall consist of a good rolled rock base, well tamped and topped with oil and sand or with asphalt or surfaced with concrete.~~ Occupancy of a given structure or premises shall be prohibited until the required parking area has been improved, inspected and approved. It shall be a violation of the town code for off-street parking to be located on any non-hard surfaced areas.

~~(2) In all other districts, all off-street parking areas shall be surfaced with a minimum of a rolled six inch rock base and a one inch durable weatherproof asphaltic pavement. The occupancy or use of a given structure or premises shall be prohibited until the required off-street parking area has been improved, inspected and approved.~~

~~(23)~~ All required off-street parking areas shall be properly drained so that no nuisance will be caused to adjacent or nearby properties. All construction shall comply with design standards as established by all applicable laws, ordinances and regulations.

~~(34)~~ All required off-street parking areas shall be maintained in good repair and shall be kept in a reasonably clean and sanitary condition free from rodents, insects and vermin.

(4) In the RU and EU Districts the maximum area reserved for off-street parking shall be the lesser of 1,000 square feet or 75 percent of the front yard area, but not more than half the width of the property along the street front.

**Sec. 33-127. Districts where parking area permitted between setback line and right-of-way.**

No parking areas including driveways except for minimum ingress and egress drives in the RU, EU, AU, and GU and RU-5 (with the exception of RU-5A), Districts shall be located closer than twenty-five (25) feet to an official right-of-way except parking areas for single family, two-family, three-and four-unit apartment uses.

In the RU-1 and RU-2 Districts and single family, two-family, three-unit apartment and four-unit apartment users in the RU-3 District, front, side, and side street setback areas may be used for off-street parking if said area is of sufficient depth to permit the parking of vehicles and meets the surface of parking area requirements set forth in section 33-126 of the town code. Parking in the BU Districts shall be permitted between the required setback line and the official right-of-way line, providing a continuous, extensively planted greenbelt of not less than five (5) feet shall be placed along all property lines abutting said official right-of-way line. Parking in the IU-1, IU-2, IU-3 Districts shall be permitted between the required setback line and the official right-of-way line providing that greenbelt requirements as provided elsewhere in this chapter are satisfied. In no event may parking areas located in the setback areas be sheltered or enclosed in any manner.

\*\*\*

**Section 33-132.1 Parking in swale areas within residential zoning districts.**

In all residential zoning districts, parking in swale areas within any right-of-way shall not be permitted. However, upon application by the abutting property owner, the planning director may approve parking within the swale area for one (1) automobile or light truck. An automobile or light truck shall be defined as a motor vehicle which has a gross vehicle weight of less than ten thousand (10,000) pounds. The application shall be made in writing and no parking shall be permitted unless the swale is improved in accordance with section 33-126 of the town code. The application shall contain sufficient drawings and details to address spacing, accessibility, and drainage implications of the proposed improved parking area. The planning director shall approve or deny the application considering: (1) the general safety and welfare; (2) the impact on traffic operations, neighboring properties, and drainage; (3) the need for the requested parking; (4) the overall feasibility to provide improved parking within swales within the general vicinity of the abutting property; and (5) the availability of alternative locations or configurations to accommodate the requested parking.

**Section 3. Severability.** If any section, clause, sentence, or phrase of this Ordinance is for any reason held invalid or unconstitutional by a court of competent jurisdiction, the holding shall not affect the validity of the remaining portions of this Ordinance.

**Section 4. Conflict.** All Sections or parts of Sections of the Code of Ordinances, all ordinances or parts of ordinances, and all Resolutions, or parts of Resolutions, in conflict with this Ordinance are repealed to the extent of such conflict.

The second boat shall be no larger than seventeen (17) feet in length, not more than eight and a half (8.5) feet in width, and six (6) feet in height. The property owner shall submit the boat's title or registration with the permit application. A permit fee for a second boat shall be established by resolution of the town council.

(3) Boats and place of storage or temporary parking shall be kept in a clean, neat and presentable condition.

(4) No major repairs or overhaul work shall be made or performed on the premises.

(5) The boats shall not be used for living or sleeping quarters, and shall be placed on and secured to a transporting trailer.

(6) The temporary parking of a boat in front of the front building line or in front of the side street building line for no more than 2 hours in any 24-hour period, while the boat is hitched to an operable motor vehicle with a valid permanent license tag, for the purposes of loading and unloading equipment and supplies shall be permitted, but under no circumstances shall a boat be parked in the public right-of-way, including the swale area of a right-of-way.

(7) For purposes of this section, the height of a boat shall be measured from the ground to the highest point of the boat including all extruding equipment.

**Section 3. Severability.** The provisions of this Ordinance are declared to be severable and if any section, sentence, clause or phrase of this Ordinance shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections,

sentences, clauses, and phrases of this Ordinance but they shall remain in effect, it being the legislative intent that this Ordinance shall stand notwithstanding the invalidity of any part.

**Section 4. Inclusion In The Code.** It is the intention of the Town Council that the provisions of this Ordinance shall become and made a part of the Town of Cutler Bay Code; that the sections of this Ordinance may be renumbered or re-lettered to accomplish such intentions; and that the word “Ordinance” shall be changed to “Section” or other appropriate word.

(See Figure 3.). Such parapets shall feature three-dimensional cornice treatment;
- b. Overhanging eaves, extending no less than three (3) feet past the supporting walls;

Such areas shall be counted as part of the gross floor area of the Medium or Large nonresidential establishment. Outdoor storage in areas where customers are not allowed is prohibited, including storage sheds and containers. Outdoor storage of propane tanks may be allowed, with appropriate screening, as determined by the planning director.

All areas of the site shall place emphasis on allowing as much groundwater percolation as possible.

- f. Pedestrian circulation. A safe and landscaped pedestrian circulation system shall be provided onsite which connects to public streets and neighborhoods. Sidewalks at least eight (8) feet in width shall be provided along all sides of the lot that abut a public street. Sidewalks, no less than eight (8) feet in width, shall be provided along the full length of the building along any façade featuring a customer entrance, and along any façade abutting public parking areas. Such sidewalks shall be located at least six (6) feet from the façade of the building to provide planting beds for foundation landscaping, except where features such as arcades or entryways are part of the façade. Drive-through lanes cannot restrict or in anyway block any designated parking spaces. Pedestrian walkways shall be clearly separated from drive-through lanes. The shopping cart storage area shall include durable fence materials in order to contain carts within the designated storage space.

7. **Illumination prohibition.**

Exterior-mounted exposed neon/fiber optic/rope L.E.D. lighting, illuminated translucent materials (except signs), illuminated striping or banding, and illuminated product displays on appurtenant structures (e.g., fuel dispensers) shall be prohibited.

8. **Expansions.**

Reductions in the required parking may be considered based on the mix of uses. For a mixed use development, up to ten percent (10%) of the nonresidential requirement and up to seven percent (7%) of the residential requirement may be approved, with further reductions possible based on proximity to a high quality pedestrian pathway and availability of public transit. A parking management plan must be submitted with the initial development application. The parking management plan must provide justification for any requested reduction in parking. The provisions of this section shall not apply to any property located within the Old Cutler Road Overlay Zoning District.

### **4. Off-street parking.**

The applicant shall provide an indemnity agreement which is acceptable to the Town Attorney. This agreement will include specification of liability insurance provided. All outdoor seating and dining areas shall be kept in a neat and orderly appearance and shall be kept free from refuse and debris. The applicant shall be responsible for daily cleaning and sweeping of the outdoor seating or dining area and for the cleanliness and maintenance of any outdoor planters immediately adjacent to the area. Cleaning shall include twice-monthly pressure cleaning or other appropriate cleaning methods, as determined by the Town. Use of Town sidewalks for trash and garbage removal shall be prohibited.

Outdoor seating and dining areas shall not interfere with the free and unobstructed pedestrian or vehicular circulation of traffic, public access to any street intersections, crosswalks, public seating areas and conveniences, bus stops, alleys, service easements, handicap facilities or access to nonresidential establishments. The façade at the first floor level shall be detailed and glazed as storefront windows. The wood or metal armature of such storefronts shall be painted. Storefronts shall be directly accessible from sidewalks. Each storefront shall have windows and entry features, equal to 70 percent of its portion of the façade, between 2 and 8 feet from the ground. # MEMORANDUM

To: The Honorable Mayor and Town Council

From: Mitchell Bierman, Town Attorney

Date: March 19, 2007

Re: Ex-Parte Communications on Quasi-Judicial Land Use Matters

We have prepared the attached ordinance addressing disclosure of ex-parte communications regarding quasi-judicial proceedings and land use matters. An explanation follows.

## **I. QUASI-JUDICIAL BOARDS AND PROCEEDINGS FOR LAND USE MATTERS**

The Town's Local Planning Agency ("LPA") and, in certain situations, the Town Council are considered to be quasi-judicial boards of the Town. This means that the LPA and the Town Council will be conducting quasi-judicial proceedings. As Councilmembers, you are most familiar with legislative decision making, in which you are asked to create a general rule or policy to govern the conduct of those within the Town. In contrast, a quasi-judicial proceeding is one that determines the rights of some individual person or business by applying that legislative rule of Town-wide application to the particular facts and circumstances of an individual case. In the area of land use, all comprehensive planning decisions are considered to be legislative. Most zoning decisions are considered to be quasi-judicial proceedings; a few, such as a Town-wide enactment of zoning, are likely to be considered legislative. Decisions on special permits, such as variances and building permits, are quasi-judicial.

Members of quasi-judicial boards are subject to certain restrictions when it comes to communications concerning matters under consideration. Such contacts are considered "ex-parte communications."<sup>1</sup> Since it is possible that applicants or other interested persons may seek to contact (or already have contacted) you to discuss the merits of development applications, the Council should address what, if any, communications will be allowed

---

<sup>1</sup> / "Ex-Parte" is defined as: on one side only; by or for one party; done for, in behalf of or on the application of, one party only. Black's Law Dictionary, 5<sup>th</sup> Edition. In other words, when the prosecutor talks to the judge in the absence of the defense attorney about the case against the accused, it is an ex parte contact.

between the Councilmembers and an applicant, as well as communications with the general public.

**A. WHAT IS AN EX-PARTE COMMUNICATION?**

An ex-parte communication is any communication, whether written or oral, between a Councilmember or other quasi-judicial board member and any person regarding the subject matter of any application that is, or foreseeably will be, heard in a quasi-judicial proceeding. Site visits and review of expert opinions are also considered ex-parte communications.

Currently, you must refrain from all ex-parte contacts with applicants or other interested persons regarding development applications, in order to avoid creating a legal presumption that your future decision on these applications is prejudiced by the contact.<sup>1</sup> However, as discussed below, the Town Council may remove this presumption of prejudice by adopting an ordinance or resolution establishing a process to allow ex-parte communications related to quasi-judicial proceedings.

**i. JENNINGS V. METROPOLITAN DADE COUNTY**

The leading case dealing with the issue of ex-parte communications and quasi-judicial boards is Jennings v. Metropolitan Dade County, 589 So. 2d 1337 (Fla. 3<sup>rd</sup> DCA 1991), rev. den., 598 So.2d 75 (Fla. 1992). In Jennings, the court disapproved of ex-parte communications and found them to be inherently improper because they violated the concept of fundamental due process, the cornerstone of quasi-judicial proceedings. The court further found that the existence of an ex-parte communication creates a presumption that the communication is prejudicial. As a result, any aggrieved party that objects to the ex-parte communication is entitled to an entirely new hearing unless it can be successfully proven that the communication was not, in fact, prejudicial.

While the types of matters which are subject to the rules put forth in the Jennings case are not clearly and consistently defined by the law, at a minimum the following matters are considered by courts to be quasi-judicial in nature:

site specific re-zonings, special exceptions, variances, site plan approvals, conditional uses, and code enforcement proceedings.<sup>2</sup>

**ii. SECTION 286.0115(1), FLORIDA STATUTES: ACCESS TO LOCAL PUBLIC OFFICIALS LAW.**

Due in large part to the Jennings decision, in 1995 the Florida Legislature enacted Section 286.0115, Florida Statutes, titled "Access to Local Public Officials". This law allows a municipality

---

<sup>1</sup> / The Town Charter provides for the continued applicability of Miami-Dade County ordinances until replaced or superceded by the Town's own ordinances. Miami-Dade County has not adopted any rules removing the presumption of prejudice and allowing ex-parte communications with members of quasi-judicial boards.

<sup>2</sup> / Board of County Commissioners of Brevard County v. Snyder; 627 So. 2d 469 (Fla. 1993); Irvine v. DuvalCounty Planning Commission, 495 So. 2d 167 (Fla. 1986); Park of Commerce Associates v. Town of Delray Beach, 636 So. 2d 12 (Fla. 1994); Chapter 162, Fla. Stat. (2000).

to adopt an ordinance or resolution removing the presumption of prejudice from ex-parte communications with local public officials.

By definition, this statute covers all elected or appointed officials holding a municipal office who recommend or take quasi-judicial action as a member of a board or council. It allows any person to engage in ex-parte discussions regarding the merits of quasi-judicial matters with a Councilperson so long as the Councilperson discloses, on the record, the existence of the ex-parte communication. This disclosure must be made before or during the public meeting at which any final action is taken on the matter in order for the presumption of prejudice to be removed. The Councilperson must disclose the communication and the identity of the person, group, or entity with whom the communication took place. This procedure allows an applicant or an affected party with a differing opinion a reasonable opportunity to refute or respond to the substance of the ex-parte communication.

In order to allow any form of ex-parte communication or site visit without creating the presumption of prejudice, the Council is required to adopt an ordinance or resolution specifying what, if any, ex-parte communication is allowed.

**iii. ORDINANCE REGARDING EX-PARTE COMMUNICATIONS.**

Attached for your consideration is a proposed ordinance authorizing ex-parte communications so long as the communications are properly disclosed. Alternatively, the Council may elect to maintain the current practice followed by the County and prohibit all ex-parte communications in accordance with the court's ruling in the Jennings case.

**B. GUIDANCE FOR COMPLYING WITH JENNINGS.**

Until such time as the Town Council enacts its own rules governing ex-parte communications, the rule of law set forth in the Jennings decision applies. Any correspondence received by a Councilmember regarding a quasi-judicial application must be forwarded to the Town Clerk. In the event that someone attempts to contact you about a quasi-judicial matter outside of a public meeting, we recommend that you ask them to put their concerns in writing and forward their written documents to the Town Clerk. The Clerk will then make their correspondence part of the record on that application. Additionally, when the application is subsequently heard before the LPA or the Town Council, each Councilmember should state on the record the existence of the ex-parte communication, the nature of the communication, and the name of the person who contacted you. You should also state whether or not the ex-parte communication affects your ability to consider the evidence presented impartially.

Finally, even if the Town Council establishes a process to allow ex-parte communications on quasi-judicial matters, Councilmembers must comply with the Florida Government in the Sunshine Law. As is required on any issue that might come before the Council for consideration, Town Councilmembers may only discuss quasi-judicial matters with each other at a public meeting.

Municipal employees shall also be required to successfully complete a criminal background investigation prior to being provided authority to initiate enforcement proceedings under this Chapter.~~

(b) Code Compliance Officers shall have the authority to initiate enforcement proceedings as provided below. No ~~Hearing Officer~~ Special Magistrate shall have the power to initiate such proceedings.

(c) For the purposes of this chapter, "violators" shall be deemed to be those persons or entities legally responsible for the violation of the ordinances. ~~listed in Section 8CC-10.~~

(d) A Code Compliance Officer who finds a violation of those ordinances of this Code ~~listed in Section 8CC-10~~ shall determine a reasonable time period within which the violator must correct the violation. This determination shall be based on considerations of fairness; practicality; ease of correction; ability to correct; severity of violation; nature, extent and probability of danger or damage to the public; and other relevant factors relating to the reasonableness of the time period prescribed. A time for correction need not be specified if the violation is deemed to be an uncorrectable violation.

(e) A Code Compliance Officer who finds such a violation shall issue a civil violation notice to the violator. Service shall be effected by delivering the civil violation notice to the violator or his agent, or by leaving the civil violation notice at the violator's usual place of abode with any person residing therein who is fifteen (15) years of age or older and informing that person of its contents. If such service cannot be effected, the civil violation notice may be sent by certified mail, return receipt requested, or by posting of the civil violation notice in a conspicuous place on the premises or real property upon which the violation has been observed or by mailing to or posting the civil violation notice at the property owner's mailing address as listed in the tax records of ~~the Miami-Dade~~ County. Such posting of the civil violation shall be deemed proper service, and the time for compliance, stated in the notice, shall commence with the date such notice is posted.

(f) The civil violation notice shall include but not be limited to the following:

- (1) Date of issuance.
- (2) Name of Code Compliance Officer and division or department issuing the notice.
- (3) Name and address of the violator.
- (4) Section number of the Code Section that has been violated.
- (5) Brief description of the nature of the violation, including location, date, and time of violation.
- (6) Amount of the civil penalty for which the violator may be liable.
- (7) Instructions and due date for paying the civil fine or filing for an administrative hearing before a ~~Hearing Officer~~ Special Magistrate to appeal the civil fine.
- (8) Time within which the violation must be corrected if applicable.
- (9) Notice that each day of continued violation after the time period for correction has run shall be deemed a continuing violation subject to additional penalty in the same amount, without the need for additional notices of violation.
- (10) Notice that the filing of a request for an administrative hearing will toll the accrual of continuing violation penalties.
- (11) Notice that failure to request an administrative hearing within twenty (20) days, or within the specified time period listed for a violation of a specific Section of the Code, after service of the civil violation notice shall constitute a waiver of the violator's right to an administrative hearing before the ~~Hearing Officer~~ Special Magistrate, and that such waiver shall constitute an admission of violation.
- (12) Notice that the violator may be liable for the reasonable costs of the administrative hearing should he be found guilty of the violation.
- (13) Notice that the violator may be liable for the ~~County's~~ Town's costs and expenses incurred as a result of investigation, enforcement, testing or monitoring should the violator be found guilty of the violation.

(g) A Code Compliance Officer is authorized to record in the public record the civil violation notice or a notice of violation which is based upon the civil violation notice. The recording of the civil violation or a notice of violation under this section shall not act as or be a lien on the property and shall not act as a notice of a lien on the property but shall merely act as public notice of the existence of the violation.

#### **Sec. 8CC-4. Civil penalties and related terms construed.**

(a) Penalties for violations of the ordinances to be enforced by this chapter shall be in the amount prescribed in the schedule of civil penalties in Section ~~8CC-10~~.

(b) An "uncorrectable violation" is a violation which cannot be remedied after the violation has been committed because the violation constitutes a single prohibited act rather than an ongoing condition or circumstance. Each reoccurrence of an uncorrectable violation shall constitute a separate violation and shall subject the violator to an additional penalty in the same amount as that prescribed for the original violation. If, however, a violator has been once found guilty of an uncorrectable violation, and causes the same uncorrectable violation to occur a second time, each reoccurrence of the uncorrectable violation by such violator shall constitute a "repeat violation" as provided in Section ~~8CC-4(d)~~.

(c) "Continuing violations" are those violations which remain uncorrected beyond the reasonable time period for correction contained in either the civil violation notice or the final order of the ~~Hearing Officer~~ Special Magistrate, whichever is applicable. For each day of continued violation after the time for correction has run, an additional penalty in the same amount as that prescribed for the original violation shall be added. ~~The maximum total penalty for any one (1) continuing violation shall be fixed at twenty (20) times the original penalty amount.~~

(d) A "repeat violation" is a recurring violation of an ordinance by a violator who has previously been found guilty or who has admitted guilt of the same violation within the last five (5) years. In the case of correctable violations, a repeat violation can occur only after correction of the previous violation has been made. For the first repeat violation, the amount of the civil penalty shall be double the amount of penalty prescribed for the original violation by Section ~~8CC-10~~. The amount of civil penalty due for each subsequent repeat violation shall be double the amount of penalty due for the first day of the immediately preceding violation., ~~provided that the maximum penalty payable for the first day of any one (1) repeat violation shall be one thousand dollars (\$1000.00)~~

(e) A repeat violation which remains uncorrected beyond the time prescribed for correction in the civil violation notice shall be treated as a continuing violation, and the additional penalty for each day of continued violation shall be equal to the doubled amount due for the first day of the repeat violation.

(f) Continuing violation penalties shall accrue from the date of correction given in the civil violation notice until the correction is made and payment of the fine is received if a request for administrative hearing is not timely filed. If the named violator requests an administrative hearing on a correctable violation and loses his appeal, the ~~Hearing Officer~~ Special Magistrate shall determine a reasonable time period within which correction of the violation must be made, based on the considerations set forth in Section ~~8CC-3(d)~~. If correction is not made within the period set by the ~~Hearing Officer~~ Special Magistrate, continuing violation penalties shall begin after the time for correction has run. No continuing violation penalties shall accrue during the time period from the date of the civil violation notice until the date of the administrative hearing, if the named violator timely requests an administrative hearing to appeal the decision of the Code Compliance Officer. Continuing violation penalties cannot be imposed by the ~~Hearing Officer~~ Special Magistrate for uncorrectable violations.

(g) Continuing violation penalties shall be assessed by the ~~hearing officer~~ Special Magistrate upon the filing of an Affidavit of Non-Compliance by the Code Compliance

Officer. The violator may request an administrative hearing, which hearing shall be strictly limited to the amount of the continuing violation based upon the length of time the violation continued to exist. Upon the filing of the Affidavit of Non-Compliance, the ~~Clerk Code Compliance Officer~~ shall send a copy of the Affidavit of Non-Compliance Notice of Assessment of Continuing Penalties to the violator by first class mail, at the last known address of the violator. Said ~~notice~~ affidavit shall include but not be limited to the following:

- (1) The date of issuance.
- (2) Department or division issuing the original ~~notice~~ affidavit.
- (3) Section number of Code that has been violated.
- (4) Amount of continuing penalty to be assessed by the ~~hearing officer~~ Special Magistrate.
- (5) Notice of right to request an administrative hearing and instructions on how to file for the administrative hearing.
- (6) Notice that failure to request an administrative hearing within twenty (20) days after the receipt of the Affidavit of Non-Compliance ~~Notice of Assessment~~ shall constitute a waiver of the violator's right to the administrative hearing.
- (7) Notice that the administrative hearing is strictly limited to the amount of the continuing penalty based solely upon the length of time the violation continued to exist but in no case in excess of the maximum set forth in the Code.
- (8) Notice that the violator shall be liable for the reasonable costs of the administrative hearing if the violator is unsuccessful at the hearing.
- (h) Civil penalties assessed pursuant to this chapter are due and payable to ~~Miami Dade County~~ the Town on the last day of the period allowed for the filing of an appeal from the ~~Hearing Officer's~~ Special Magistrate's decision, or, if proper appeal is made, when the appeal has been finally decided adversely to the named violator.

**Sec. ~~8CC-5~~. Rights of violators; payment of fine; right to appeal; failure to pay and correct, or to appeal.**

- (a) A violator who has been served with a civil violation notice or Affidavit of Non-Compliance ~~Notice of Assessment~~ shall elect either to:
  - (1) Pay the civil penalty in the manner indicated on the notice, and correct the violation within the time specified on the notice (if applicable); or
  - (2) Request an administrative hearing before a ~~Hearing Officer~~ Special Magistrate to appeal the decision of the Code Compliance Officer which resulted in the issuance of the civil violation notice or Affidavit of Non-Compliance ~~Notice of Assessment~~.
- (b) Appeal by administrative hearing of the notice of violation shall be accomplished by filing a request in writing to the address indicated on the notice, within the time limit stipulated in the specified Code Section which is enforced pursuant to the provisions of this chapter, or no later than twenty (20) calendar days after the service of the notice, whichever is earlier.
- (c) If the named violator after notice fails to pay the civil penalty and correct the violation within the time specified (if applicable), or fails to timely request an administrative hearing before a ~~Hearing Officer~~ Special Magistrate, the ~~Hearing Officer~~ Special Magistrate shall be informed of such failure by report from the Code Compliance Officer. If the named violator pays the civil penalty for a correctable violation but does

not correct that violation within the time specified, each day that the violation continues beyond such specified time shall constitute a continuing violation. Failure of the named violator to appeal the decision of the Code Compliance Officer within the prescribed time period shall constitute a waiver of the violator's right to administrative hearing before the ~~Hearing Officer~~ Special Master. A waiver of the right to administrative hearing shall be treated as an admission of the violation and penalties may be assessed accordingly.

**Sec. 8CC-6. Scheduling and conduct of hearing.**

(a) Upon receipt of a named violator's timely request for an administrative hearing, the ~~Hearing Officer~~ Special Magistrate shall set the matter down for hearing on the next regularly scheduled hearing date or as soon thereafter as possible or as mandated in the specified Code Section which is enforced pursuant to this chapter.

(b) The ~~Hearing Officer~~ Special Magistrate shall send a notice of hearing by first class mail to the named violator at his last known address. The notice of hearing shall include but not be limited to the following:

- (1) Name of the Code Compliance Officer who issued the notice.
- (2) Factual description of alleged violation.
- (3) Date of alleged violation.
- (4) Section of the Code allegedly violated.
- (5) Place, date and time of the hearing.
- (6) Right of violator to be represented by a lawyer.
- (7) Right of violator to present witnesses and evidence.
- (8) Notice that failure of violator to attend hearing may result in civil penalty being assessed against him.
- (9) Notice that requests for continuances will not be considered if not received by the ~~Hearing Officer~~ Special Magistrate at least ten (10) calendar days prior to the date set for hearing.

(c) The ~~Hearing Officers~~ Special Magistrate shall call hearings on a monthly basis, ~~or upon the request of the Clerk of the Board of County Commissioners~~. No hearing shall be set sooner than twenty (20) calendar days from the date of service of the notice of violation.

(d) A hearing date shall not be postponed or continued unless a request for continuance, showing good cause for such continuance, is received in writing by the ~~Hearing Officer~~ Special Magistrate at least ten (10) calendar days prior to the date set for the hearing.

(e) All hearings of the ~~Hearing Officer~~ Special Magistrate shall be open to the public. All testimony shall be under oath. Assuming proper notice, a hearing may proceed in the absence of the named violator.

(f) The proceedings at the hearing shall be recorded and may be transcribed at the expense of the party requesting the transcript.

(g) The ~~Clerk of the Board of County Commissioners~~ Town shall provide clerical and administrative personnel as may be reasonably required by ~~each Hearing Officer~~ the Special Magistrate for the proper performance of his duties.

(h) Each case before a ~~Hearing Officer~~ Special Magistrate shall be presented by the ~~County~~ Town Manager or his designee.

(i) The hearing need not be conducted in accordance with the formal rules relating to evidence and witnesses. Any relevant evidence shall be admitted if the ~~Hearing Officer~~

Special Magistrate finds it competent and reliable, regardless of the existence of any common law or statutory rule to the contrary.

(j) Each party shall have the right to call and examine witnesses; to introduce exhibits; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called him to testify; and to rebut the evidence against him.

(k) The ~~Hearing Officer~~ Special Magistrate shall make findings of fact based on evidence of record. The ~~Hearing Officer~~ Special Magistrate shall make the findings of fact immediately upon conclusion of the hearing. ~~Once commenced, no hearing shall be deferred, however,~~ The violator or the Town shall have the option to request a reschedule of the hearing. A request to reschedule shall only be considered prior to the commencement of testimony and presentation of evidence. In order to make a finding upholding the Code Compliance Officer's decision, the ~~Hearing Officer~~ Special Magistrate must find that a preponderance of the evidence indicates that the named violator was responsible for the violation of the relevant Section of the Code as charged for purposes of a civil violation notice, or that the violation continued to exist for the time period set out in the ~~Affidavit of Non-Compliance Notice of Assessment~~, for purposes of an Affidavit of Non-Compliance Notice of Assessment.

(l) If the named violator is found guilty of the violation, or if the violation is found to be a continuing violation pursuant to an ~~Affidavit of Non-Compliance Notice of Assessment~~ he shall pay the reasonable costs of the administrative hearing and the costs and expenses of the ~~County Town~~ for investigation, enforcement, testing, or monitoring. The costs and expenses of the ~~County Town~~ for investigation, enforcement, testing, or monitoring shall be calculated and submitted to the ~~Hearing Officer~~, Special Magistrate, to be attached to the final order for amount owed, in standard format as prescribed by departmental administrative orders of the ~~County Town~~ Manager. All costs of enforcement shall be paid within thirty (30) days of the date of the administrative hearing unless an alternate timeframe is established by the department.

(m) The fact-finding determination of the ~~Hearing Officer~~ Special Magistrate for purposes of a civil violation notice shall be limited to whether the violation alleged did occur and, if so, whether the person named in the civil violation notice can be held responsible for that violation. The fact-finding determination of the ~~hearing officer~~ Special Magistrate for purposes of an ~~Affidavit of Non-Compliance Notice of Assessment~~ shall be strictly limited to length of time that the violation existed. Based upon this fact-finding determination, the ~~Hearing Officer~~ Special Magistrate shall either affirm or reverse the decision of the Code Compliance Officer. If the ~~Hearing Officer~~ Special Magistrate affirms the decision of the Code Compliance Officer with respect to a civil violation notice, the ~~Hearing Officer~~ Special Magistrate, pursuant to Section 8CC-4(f), shall determine a reasonable time period within which correction of the violation must be made, provided however, that such time period shall be no more than thirty (30) days. If the ~~Hearing Officer~~ Special Magistrate reverses the decision of the Code Compliance Officer and finds the named violator not responsible for the Code violation alleged in the civil violation notice, the named violator shall not be liable for the payment of any civil penalty, absent reversal of the ~~Hearing Officer's~~ Special Magistrate's findings pursuant to Section 8CC-8(a). If the decision of the ~~Hearing Officer~~ Special Magistrate is to affirm, then the following elements shall be included:

- (1) Amount of civil penalty.
- (2) Administrative costs of hearing.
- (3) Date by which the violation must be corrected to prevent imposition of continuing violation penalties (if applicable).
- (n) ~~The Hearing Officer~~ Special Magistrate shall have the power to:
  - (1) Adopt procedures for the conduct of hearings.
  - (2) Subpoena alleged violators and witnesses for hearings; subpoenas may be served by the ~~Miami Dade County Sheriff's Department~~ Town's Police Department or by the staff of the ~~Hearing Officer~~ Special Magistrate.
  - (3) Subpoena evidence.
  - (4) Take testimony under oath.
  - (5) Assess and order the payment of civil penalties as provided herein.
- (o) ~~(1) A Hearing Officer shall postpone and shall not conduct a hearing if the named violator, prior to the scheduled hearing date, files with a duly authorized County board of appropriate jurisdiction, if one exists, an administrative appeal concerning the interpretation or application of any technical provisions of the Code Section allegedly violated. It shall be the responsibility of the violator to provide evidence at the time of the hearing to show that such administrative appeal has been filed with the County board of appropriate jurisdiction. However, once an issue had been determined by a Hearing Officer in a specific case, that issue may not be further reviewed by a County board in that specific case. A named violator waives his right to administrative appeal to other County boards if the violator does not apply for such appeal prior to the violator's code enforcement hearing before the Hearing Officer.~~
  - (2) ~~Upon exhaustion of a timely filed administrative appeal and finalization of the administrative order by such board, the Hearing Officer may exercise all powers given to him by this chapter. The Hearing Officer shall not, however, exercise any jurisdiction over such alleged Code violations until the time allowed for court appeal of the ruling of such board has lapsed or until such further appeal has been exhausted.~~
  - (3) ~~The Hearing Officer~~ Special Magistrate shall be bound by the interpretations and decisions of duly authorized ~~County~~ Town boards concerning the provisions of the codes within their respective jurisdictions. In the event such a board decides that an alleged violation of the Code is not in accordance with such board's interpretation of the Code provision on which the violation is based, the ~~Hearing Officers~~ Special Magistrate shall not be empowered to proceed with the enforcement of the violation.

**Sec. ~~8CC-7~~. Recovery of unpaid civil penalties; unpaid penalty to constitute a lien; interest to be paid on liens; foreclosure; prohibition of the issuance of permits, licenses, certificates of use and occupancy, or zoning approvals to violators with unpaid civil penalties or liens.**

- (a) ~~Miami Dade County~~ The Town may institute proceedings in a court of competent jurisdiction to compel payment of civil penalties.
- (b) A certified copy of an order imposing a civil penalty may be recorded in the public records and thereafter shall constitute a lien against the land on which the violation exists or upon any other real or personal property owned by the violator; and it may be enforced in the same manner as a court judgment by the sheriffs of this State, including levy against the personal property, but shall not be deemed to be a court judgment except for

enforcement purposes. After ~~one (1) year~~ three (3) months from the filing of any such lien which remains unpaid, ~~Miami Dade County~~ the Town may foreclose or otherwise execute on the lien.

(c) Liens created pursuant to Section 8CC-7 may be discharged and satisfied by paying to ~~Miami Dade County~~ the Town the amount specified in the notice of lien, together with interest thereon from the date of the filing of the lien computed at the rate of twelve (12) percent per annum, together with the administrative costs, filing and recording fees and fees paid to file a satisfaction of the lien in the public records. When any such lien has been discharged, ~~Miami Dade County~~ the Town shall promptly cause evidence of the satisfaction and discharge of such lien to be recorded in the public records. ~~Any person, firm, corporation or legal entity, other than the present owner of the property involved, who pays any such unsatisfied lien shall be entitled to receive an assignment of the lien held by the County and shall be subrogated to the rights of the County in respect to the enforcement of such lien, as permitted by law.~~

(d) Notwithstanding any provision of this Code, no ~~County~~ Town or ~~municipal~~ officer, agent, employee or Board shall approve, grant or issue any operating permit, license, building permit, certificate of use and occupancy, ~~municipal occupational licenses,~~ platting action, or zoning action to any named violator with (i) unpaid civil penalties; (ii) unpaid administrative costs of hearing; (iii) unpaid ~~County~~ Town investigative, enforcement, testing, or monitoring costs; or (iv) unpaid liens, any or all of which are owed to ~~Miami Dade County~~ Town pursuant to the provisions of the Code of ~~the Town of Miami Dade County,~~ Cutler Bay, Florida.

### **Sec. 8CC-8. Appeals.**

(a) The named violator or the ~~County~~ Town may appeal a final order of the ~~Hearing Officer~~ Special Magistrate for all violations ~~except those contained in Chapter 5 of the County Code~~ by filing a notice of appeal in the Circuit Court in and for Miami-Dade County, Florida, in accordance with the procedures and within the time provided by the Florida Rules of Appellate Procedure for the review of administrative action.

~~(b) For violations of Chapter 5 of the County Code, the violator or the County may seek to overturn the order of a Hearing Officer by making application to Miami Dade County Court for a trial de novo on the merits. Such application shall be filed within thirty (30) calendar days of the issuance of the order sought to be overturned. A violator shall have the right to a de novo proceeding provided that all administrative remedies have been exhausted. Failure to make such application within the prescribed thirty day period shall render the findings of the Hearing Officer conclusive, binding and final. All findings of the Hearing Officer shall be admissible evidence at any de novo proceeding held pursuant to this section.~~

~~(c) (b)~~ Unless the findings of the ~~Hearing Officer~~ Special Magistrate are overturned in a proceeding held pursuant to Section 8CC-8(a), all findings of the ~~Hearing Officer~~ Special Magistrate shall be admissible in any proceeding to collect unpaid penalties.

### **Sec. 8CC-9. Provisions contained herein are supplemental; general penalty for failure to correct violations.**

(1) Nothing contained in this chapter shall prohibit ~~Miami Dade County~~ the Town from enforcing its Code by any other means. The enforcement procedures outlined herein are

cumulative to all others and shall not be deemed to be prerequisites to filing suit for the enforcement of any Section of this Code.

(2) It shall be unlawful for a named violator found guilty of a code violation pursuant to Section ~~8CC-5~~(c) or Section ~~8CC-6~~ to fail to correct the violation as set forth in the uniform civil violation notice and said failure shall be a separate offense punishable as set forth in ~~Section 1-5~~ of the Code of ~~Miami-Dade County~~ The Town of Cutler Bay, Florida.

**Sec. ~~8CC-10~~. Schedule of civil penalties.**

The following table shows the sections of this Code, as they may be amended from time to time, which may be enforced pursuant to the provisions of this chapter; and the dollar amount of civil penalty for the violation of these sections as they may be amended. The "descriptions of violations" below are for informational purposes only and are not meant to limit or define the nature of the violations or the subject matter of the listed Code sections, except to the extent that different types of violations of the same Code section may carry different civil penalties. For each Code section listed in the schedule of civil penalties, the entirety of that section may be enforced by the mechanism provided in this chapter ~~8CC~~, regardless of whether all activities proscribed or required within that particular section are described in the "Description of Violation" column. To determine the exact nature of any activity proscribed or required by this Code, the relevant Code section must be examined.
