On March 1, 2005, the Miami-Dade County Board of County Commissioners appointed the following residents as members of the Town of Cutler Bay Charter Commission: Edward P. MacDougall, as Chair, Alfonsina Sergio, as Vice-Chair, Delleperche Joseph, as Secretary, Sandra K. Reyes-Nanni, and Eduardo Wolmers. The charter commission was represented by Edward P. Ludovici, Esq. as legal counsel during the drafting of this charter. The charter commission met during the months of March, April, May, June, July and August 2005 to draft the charter for the town.

PREAMBLE

We, the people of the Town of Cutler Bay, in order to secure for ourselves the benefits and responsibilities of home rule, in order to provide a municipal government to serve our present and future needs, do hereby adopt this charter.

CITIZENS' BILL OF RIGHTS

(A) This government has been created to protect the governed, not the governing. In order to provide the public with full and accurate information, to promote efficient administration management, to make government more accountable, and to ensure to all persons fair and equitable treatment, the following rights are guaranteed:

- (1) Convenient Access. Every person has the right to transact town business with a minimum of personal inconvenience. It shall be the duty of the mayor, the town council and the town manager to provide, within budget limitations, reasonably convenient times and places for registration and voting, for required inspections, and for transacting business with the town.
- (2) Truth in Government. No municipal official or employee shall knowingly furnish false information on any public matter, or knowingly omit significant facts when giving requested information to members of the public.
- (3) Public Records. All audits, reports, minutes, documents and other public records of the town and its boards, agencies, departments and authorities shall be open for inspection at reasonable times and places convenient to the public.
- (4) Minutes and Ordinance Register. The town clerk shall maintain and make available for public inspection an ordinance register separate from the minutes showing the votes of each member on all ordinances and resolutions listed by descriptive title. Written minutes of all meetings and the ordinance register shall be available for public inspection not later than 30 days after the conclusion of the meeting.

(5) Right to be Heard. So far as the orderly conduct of public business permits, any interested person has the right to appear before the town council or town agency, board or department for the presentation, adjustment or determination of an issue, request, or controversy within the jurisdiction of the town. Matters shall be scheduled for the convenience of the public. The town council shall adopt agenda procedure and schedule hearings in a manner that will enhance the opportunity for public participation. Nothing herein shall prohibit any governmental entity or agency from imposing reasonable time limits and procedures for the presentation of a matter.

(6) Right to Notice. Persons entitled to notice of a town hearing shall be timely informed as to the time, place and nature of the hearing and the legal authority pursuant to which the hearing is to be held. Failure by an individual to receive such notice shall not constitute mandatory grounds for canceling the hearing or rendering invalid any determination made at such hearing. Copies of proposed ordinances or resolutions shall be made available at a reasonable time prior to the hearing, unless the matter involves an emergency ordinance or resolution.

(7) No Unreasonable Postponements. No matter, once having been placed on a formal agenda by the town, shall be postponed to another day except for good cause shown in the opinion of the mayor, town council, board or agency conducting such meeting, and then only on condition that the affected person shall, upon written request, receive mailed notice of the new date of any postponed meeting. Failure by an individual to receive such notice shall not constitute mandatory grounds for canceling the hearing or rendering invalid any determination made at such hearing.

(8) Right to Public Hearing. Upon a timely written request from any interested party, and after presentation of the facts to and approval by the council, a public hearing shall be held by any town agency, board, department or authority upon any significant policy decision to be issued by it which is not subject to subsequent administrative or legislative review and hearing. This provision shall not apply to the law department of the town or to any person whose duties and responsibilities are solely advisory. At any zoning or other hearing in which review is exclusively by certiorari, a party or his/her counsel shall be entitled to present his/her case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross examination as may be required for a full and true disclosure of the facts. The decision of such agency, board, department or authority must be based upon the facts in the record. Procedural rules establishing reasonable time and other limitations may be promulgated and amended from time to time.

(9) Notice of Action and Reasons. Prompt notice shall be given of the denial in whole or in part of a request of an interested person made in connection with any town administrative decision or proceeding when the decision is reserved at the conclusion of the hearing. The notice shall be accompanied by a statement of the grounds for denial.

(10) Manager's and Attorneys' Reports. The town manager and town attorney shall periodically make a public status report on all major matters pending or concluded within their respective areas of concern.

(11) Budgeting. In addition to any budget required by state statute, the town manager shall prepare a budget showing the cost of each department for each budget year. Prior to the town council's first public hearing on the proposed budget required by state law, the town manager shall make public a budget summary setting forth the proposed cost of each individual department and reflecting the personnel for each department, the purposes therefore, the estimated millage cost of each department and the amount of any contingency and carryover funds for each department.

(12) Quarterly Budget Comparisons. The town manager shall make public quarterly report showing the actual expenditures during the quarter just ended against one quarter of the proposed annual expenditures set forth in the budget. Such report shall also reflect the same cumulative information for whatever portion of the fiscal year that has elapsed.

(13) Representation of Public. The mayor shall endeavor to designate one or more individuals to represent the town at all proceedings before county, state and federal regulatory bodies, significantly affecting the town and its residents.

(14) Misuse of Authority. No elected or appointed town official shall intentionally misuse his or her position to threaten, harass or otherwise attempt to intimidate any other person including but not limited to any citizen, employee or colleague. Nothing herein shall be construed to in any way restrict or restrain rigorous discussion or debate of issues that come before the council or are of importance in the town. Rather, this section is intended to ensure that the town's environment is one in which all citizens, employees and council members may express opinions on public issues or, except as otherwise provided in this charter, express support for candidates for public office without fear of reprisals.

(B) The foregoing enumeration of citizens' rights vests large and pervasive powers in the citizenry of the town. Such power necessarily carries with it responsibility of equal magnitude for the successful operation of government in the town. The orderly, efficient and fair operation of government requires the participation of individual citizens exercising their rights with dignity and restraint so as to avoid any sweeping acceleration in the cost of government because of the exercise of individual prerogatives, and for individual citizens to grant respect for the dignity of public office.

(C) All provisions of this Bill of Rights shall be construed to be supplementary to and not in conflict with the general laws of Florida. If any part of this Bill of Rights shall be declared invalid, it shall not affect the validity of the remaining provisions.

ARTICLE I. CORPORATE EXISTENCE, FORM OF GOVERNMENT, BOUNDARY AND POWERS

Section 1.1 Corporate Existence.

A municipal corporation resulting from the election authorized by Resolution R-1318-04 adopted on November 30, 2004 by the Miami-Dade County Board of County Commissioners, which permitted the continuing process of incorporation of the area described in Section 1.3 below, originally known as Cutler Ridge, is hereafter known as the Town of Cutler Bay (the "town"), pursuant to the Constitution of the State of Florida (the "state") and the Home Rule Charter of Miami-Dade County (the "county"). The corporate existence of the town shall commence November 9, 2005.

Section 1.2 Form of Government.

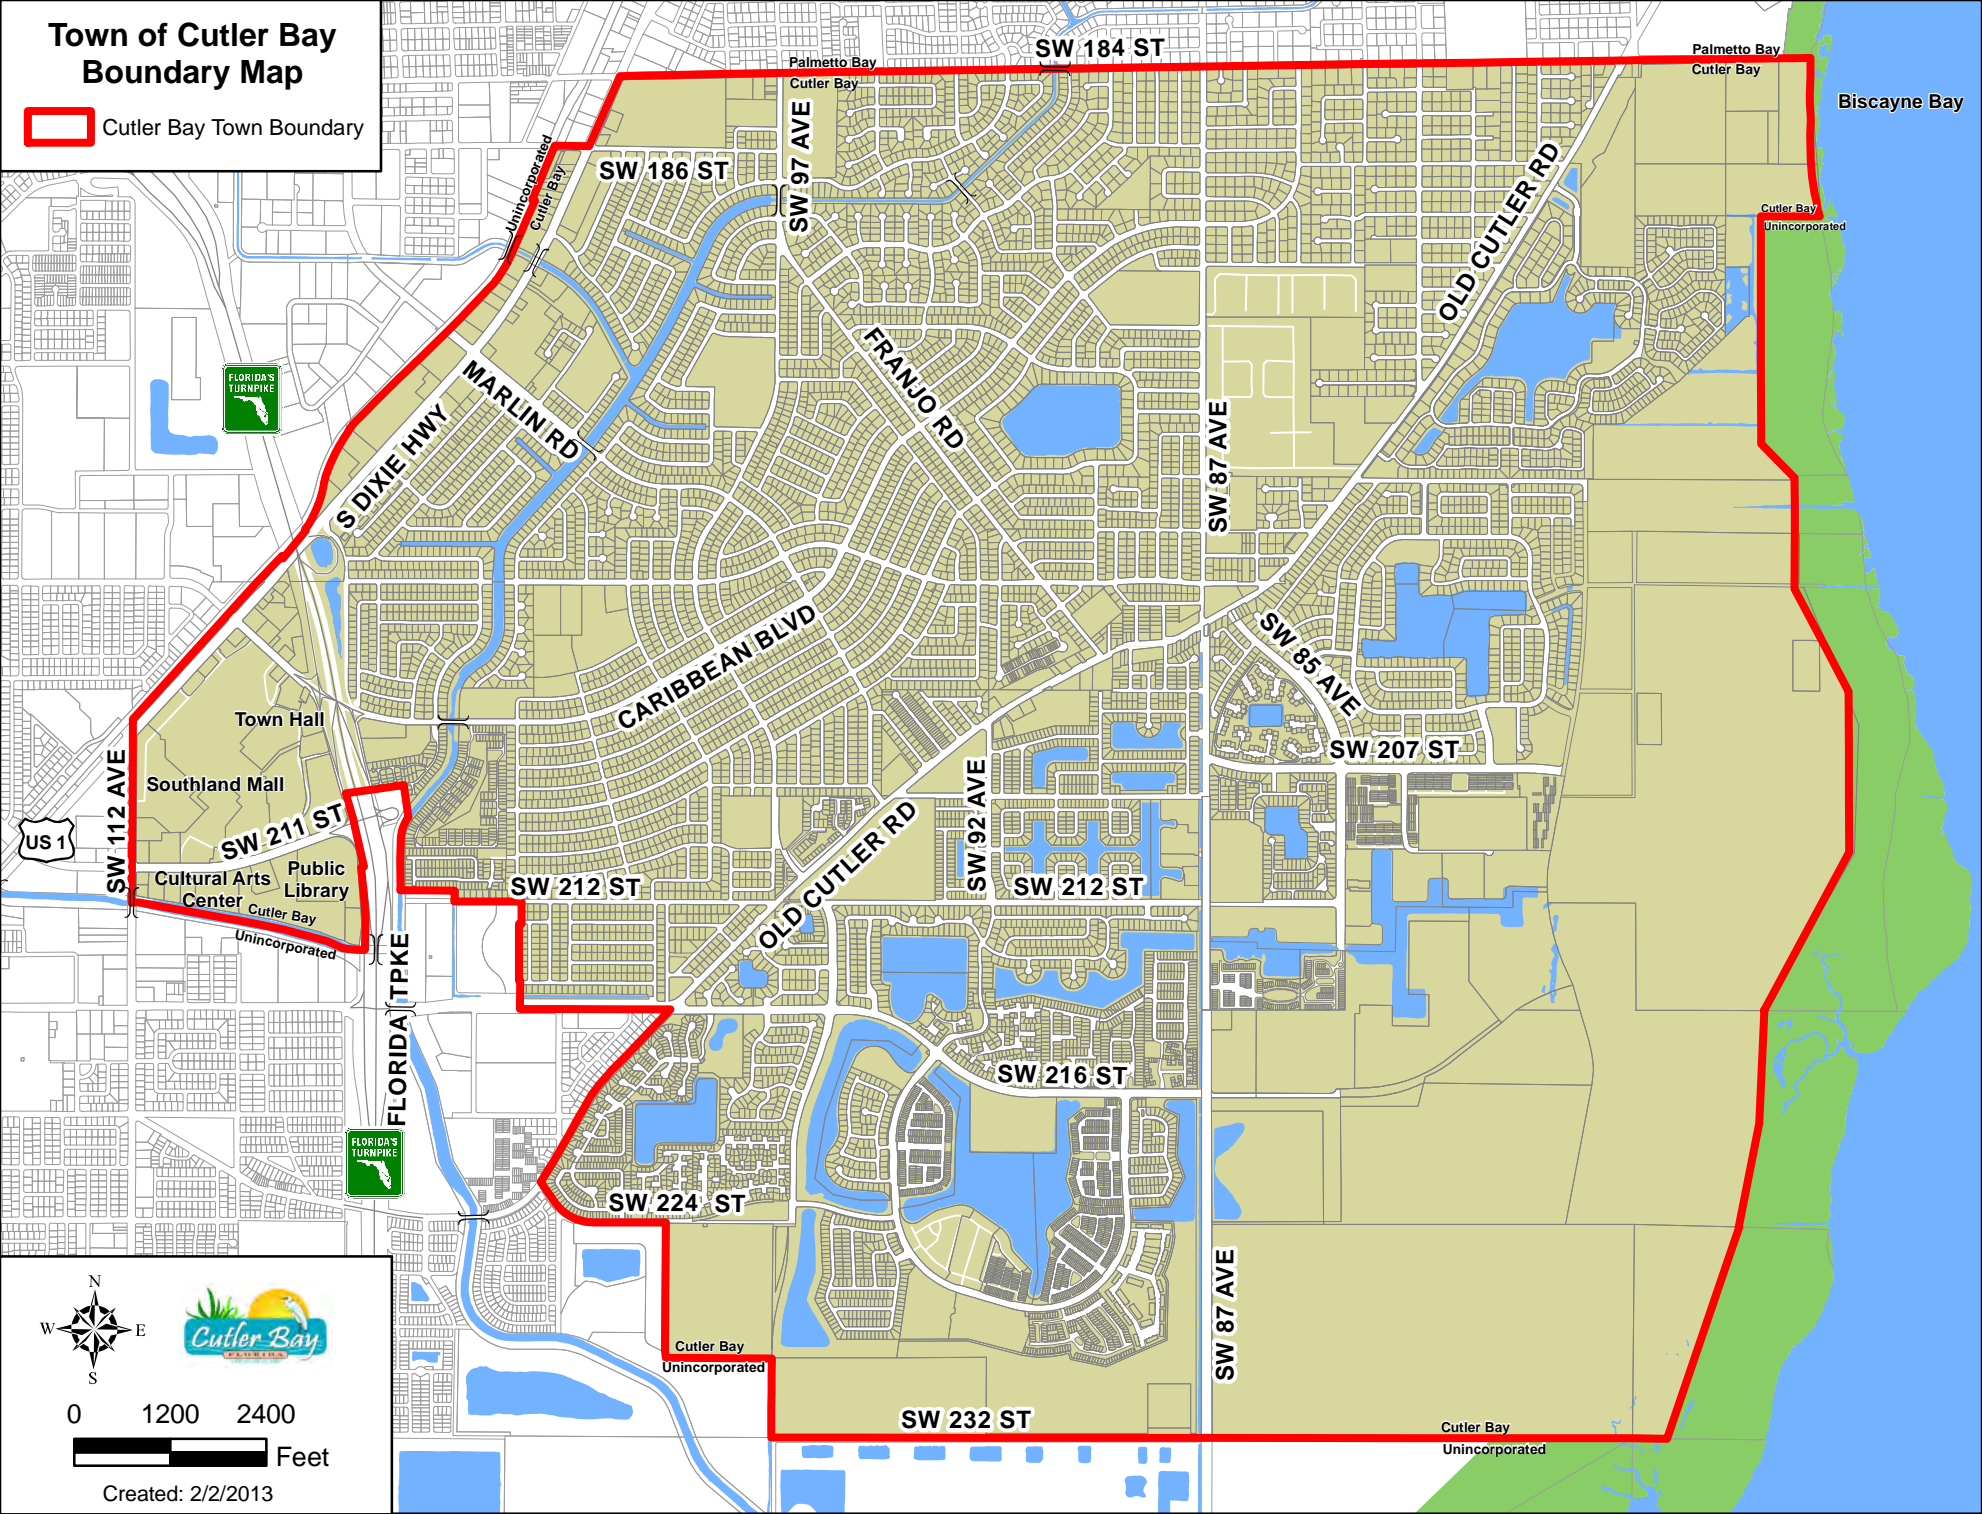

The town shall have a "council-manager" form of government.

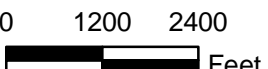

Section 1.3 Corporate Boundary.

The corporate boundaries of the town are generally described as follows bounded on the North by S.W. 184th Street (the South boundary of the Village of Palmetto Bay), bounded on the South by S.W. 232 Street, bounded on the East by Biscayne National Park and bounded on the West by the South Miami-Dade Transit Corridor (Busway) and S.W. 112 Avenue (Allapattah Road). A town-wide map and an individual council district map are adopted as provided below. The legal description for the town is on Appendix "A" attached hereto. In case of a conflict between the legal description and the town-wide map, the legal description shall govern.

Section 1.4 Powers.

(A) The town shall have all available governmental, corporate and proprietary powers and may exercise them except when prohibited by law. Through the adoption of this charter, it is the intent of the electors of the town to grant to the municipal government established by this charter the broadest exercise of home rule powers permitted under the Constitution and laws of the State of Florida, and the Miami-Dade County Charter as amended from time to time including the ability to exercise such powers within and without its corporate boundaries to the extent constitutionally permitted.

(B) The only limitation concerning alienability of town owned property is that there shall be no sale, exchange or lease in excess of five (5) years of any park property while it is being used for public purpose unless such sale, exchange or lease is approved by a majority vote at the next regularly scheduled election of the voters of the town. This provision shall not apply to any valid written contractual obligations entered into prior to the effective incorporation date of this town nor shall it apply to any town owned educational facility, library property or parking facility not located in a park or any utility or access easements or right-of-way. This provision is intended to restrict sales, exchanges or leases and shall not be applicable to any operating, management or other agreements.

References in this charter to the council and/or council members shall include the mayor and vice-mayor unless the context dictates otherwise. The council may create and appoint committees of the council, which may include non-council members. The members of each committee shall select a chair.

Should the additional qualifying period be necessitated, the town council shall schedule a special election for that particular office, which election shall be held at least sixty (60) days, but no more than seventy-five (75) days subsequent to the last day of the additional qualifying period. This procedure shall apply only in the event of the death, withdrawal or removal from the ballot of any candidate who qualified during the original qualifying period for such office and any subsequent deaths, withdrawals or removal from the ballot of a candidate's name, which provides for fewer than two (2) candidates for an office, shall result in the remaining candidate being duly elected pursuant to Section 5.1(h).

This section complies with the conditions of incorporation approval detailed in Section 20-27(B) of the Miami-Dade County Code, which may be amended from time to time. Notwithstanding any of the other provisions of this Section, the Town may modify any aspect of the qualifying period for an election or run-off election by ordinance if such modification is necessary in order to accommodate a request by the Miami-Dade County Supervisor of Elections office or a successor entity or to comply with state or Federal law.

A council member whose qualifications are in question, subject to due process or who is otherwise subject to forfeiture of his/her office, shall not vote on any such matters. The council member in question shall be entitled to a public hearing upon request regarding an alleged forfeiture of office. If a public hearing is requested, notice thereof shall be published in one or more newspapers of general circulation in the town at least one week in advance of the hearing. The vacancy of vice-mayor thus created shall be filled in the manner that the vacancy of a council member is generally filled under this article. If the elected mayor shall be returned to office, s/he shall automatically resume the duties of the office for the remainder of the term for which elected, and the vice-mayor shall be returned to complete the balance of his/her term. "Debt" means any obligation of the town to repay borrowed money however evidenced since the date of its incorporation regardless of tenor or term for which it was originally contracted or subsequently converted through refinancing or novation, except (a) any obligation required to be repaid in less than a year and which was incurred solely for emergency relief of natural disasters, or (b) that portion of any obligation for operations which are financed and operated in an independent, self-liquidating manner and recovered entirely through currently collected user fees and charges.

The electors of the town shall have power to require reconsideration by the council of any adopted ordinance and, if the council fails to repeal an ordinance so reconsidered, to approve or reject it at a town election, provided that such power shall not extend to the annual budget or capital program or any ordinance appropriating money, levying taxes or setting salaries of town officers or employees.

(B) Commencement of Proceedings. A minimum of ten electors may commence initiative or referendum proceedings by filing with the town clerk an affidavit (the "affidavit") stating they will constitute the petitioners' committee (the "committee") and be responsible for circulating the petition (the "petition ") and filing it in proper form, stating their names and addresses and specifying the address to which all notices to the committee are to be sent, and setting out in full the proposed initiative ordinance or citing the ordinance sought to be reconsidered. Promptly after the affidavit of the committee is filed, the town clerk shall at the committee's request, issue the appropriate petition blanks to the committee at the committee's expense. Petitioners' proposed ordinance shall be approved as to legal sufficiency by the town attorney prior to circulation.

(C) Petitions.

(1) Number of Signatures. Initiative and referendum petitions must be signed by at least ten (10) percent of the total number of electors registered to vote at the last regular town election.

(2) Form and Content. All pages of a petition shall be assembled as one instrument of filing. Each signature shall be executed in ink and shall be followed by the printed name and residence address (or precinct number) of the person signing as well as the date signed. Petitions shall contain or have attached throughout their circulation the full text of the ordinance proposed or sought to be reconsidered, as well as an advisory noting that any individual who knowingly signs more than one petition or who attempts to sign another person's name, or a fictitious name shall be deemed to have violated F.S. § 104.185, and in addition shall be guilty of a misdemeanor in the second degree.

(3) Affidavit of Circulator. Each page of a petition shall have attached to it when filed an affidavit executed by the circulator stating that s/he personally circulated the page, the number of signatures contained, that all the signatures were affixed in his/her presence, that

s/he believes them to be the genuine signatures of the persons whose names they purport to be and that each signer had an opportunity before signing to read the full text of the ordinance proposed or sought to be reconsidered. This affidavit shall include a sworn statement signed by the circulator certifying to its truthfulness and correctness; stating that it is being given under penalty of perjury under the laws of the State of Florida; and setting forth the date and the place of execution of the certification.

(4) Filing Deadline. All petitions must be filed within 60 days of the date a proper affidavit is filed pursuant to subsection (B) of this section.

(D) Procedure for Filing.

(1) Certificate of Clerk; Amendment. Within Twenty (20) days after an initiative petition is filed or within five business days after a referendum petition is filed, the town clerk shall complete a certificate as to its sufficiency ("the certificate"). If insufficient the certificate shall specify the particulars of the deficiency. A copy of the certificate shall be promptly sent to the committee by registered mail. Grounds for insufficiency are only those specified in subsection (c) of this section. A petition certified insufficient for lack of the required number of valid signatures may be amended once if the committee files a notice of intention to amend

it with the town clerk within two (2) workdays after receiving the copy of the certificate and files a supplementary petition ("supplementary petition") with the town clerk with additional valid signatures within ten (10) days after receiving the copy of such certificate. Such supplementary petition shall comply with the requirements of subsection (c) of this section. Within five business days after a supplementary petition is filed the town clerk shall complete a certificate as to the sufficiency of the petition as amended ("amended petition") and promptly send a copy of such certificate to the committee by registered mail. If a petition or amended petition is certified sufficient, or if a petition or amended petition is certified insufficient and the committee does not elect to amend or request council review under paragraph (2) of this subsection within the time required, the town clerk shall promptly present his/her certificate to the council and such certificate shall then be a final determination as to the sufficiency of the petition.

(2) Council Review. If a petition has been certified insufficient and the committee does not file notice of intention to amend it or if an amended petition has been certified insufficient, the committee may, within two (2) workdays after receiving the copy of such certificate, file a request with the town clerk that it be reviewed by the council. The council shall review the certificate at its next regularly scheduled meeting following the filing of such request and approve or disapprove it. The council's determination shall then be a final determination as to the sufficiency of the petition.

(E) Action on Petitions.

(1) Action by Council. When an initiative or referendum petition has been finally determined sufficient, the council shall promptly consider the proposed initiative ordinance or reconsider the referred ordinance by voting its repeal. If the council fails to adopt a proposed initiative ordinance without any change in substance within 45 days or fails to repeal the referred ordinance within 30 days, it shall submit the proposed or referred ordinance to the electors of the town. If the council fails to act on a proposed initiative ordinance or a referred ordinance within the time period contained in this paragraph, the council shall be deemed to have failed to adopt the proposed initiative ordinance or failed to repeal the referred ordinance on the last day that the council was authorized to act on such matter.

(2) Submission to Electors. The vote of the town on a proposed or referred ordinance shall be held not less than 45 days or no more than 75 days from the date the council acted or was deemed to have acted pursuant to paragraph (1) of this subsection. If no regular election is to be held within the period described in this paragraph, the council shall provide for a special election. Copies of the proposed or referred ordinance shall be made available at the polls.

(2) Withdrawal of Petitions. An initiative or referendum petition may be withdrawn at any time prior to the 15th day preceding the day scheduled for a vote by the town by filing with the town clerk a request for withdrawal signed by at least eight/tenths of the committee. Upon the filing of such a request, the petition shall have no further force or effect and all proceedings shall be terminated.

(F) Results of Election.

(1) Initiative. If a majority of the qualified electors voting on a proposed initiative ordinance vote in its favor, it shall be considered adopted upon certification of the election results. If conflicting ordinances are approved at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict. If the proposed initiative ordinance fails, it or any ordinance that is substantially similar may not be submitted in accordance with this article for at least one year from the date of the election.

(2) Referendum. If a majority of the qualified electors voting on a referred ordinance vote for repeal, the repealed ordinance shall be considered repealed upon certification of the election results.

Section 5.3 Form of Ballots

A charter amendment, ordinance or other ballot issue to be voted on by the electors shall be presented for voting by ballot title. The ballot title of a measure may differ from its legal title and shall be a clear, concise statement describing the substance of the measure without argument or prejudice in accordance with state law.

Section 5.4 County Canvassing Board

As a condition of incorporation approval pursuant to Article V of the Miami-Dade County Home Rule Charter, each new municipality shall provide for all of its elections to be canvassed by a County Canvassing Board as provided under the election laws of this state and section 20-27(C) of the Miami-Dade County Code. Any modifications to this section will require all approvals normally required by the municipal charter, and approval by an affirmative vote of 2/3rds of the members of the Board of County Commissioners then in office, prior to a vote of qualified municipal electors.

ARTICLE VI. CHARTER AMENDMENTS AND ABOLISHMENT OF MUNICIPALITY

Section 6.1 Procedure to Amend or Revoke Charter or to Abolish Municipality.

Its governing body shall, within 120 days after adopting a resolution or after the certification of a petition of ten percent of the qualified electors of the municipality, draft or have drafted by a method determined by municipal ordinance a proposed charter amendment, revocation, or abolition which shall be submitted to the electors of the municipalities. Unless an election occurs not less than 60 days before, and no more than 120 days after, the draft is submitted, the proposal shall be submitted at a special election within that time. The governing body shall make copies of the proposal available to the electors not less than 30 days before the election. Alternative proposals may be submitted. Each proposal approved by a majority of the electors voting on such proposal shall become effective at the time fixed in the proposal.” This provision is a special condition of incorporation pursuant to Article V of the Miami-Dade County Home Rule Charter. Any modifications to this paragraph will require all approvals normally required by the municipal charter, and approval by an affirmative vote of 2/3rds

of the members of the Board of County Commissioners then in office, prior to a vote of qualified municipal electors. The town shall enact an ordinance to implement this article.

(B) If conflicting amendments are adopted at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict.

Section 6.2 Charter Revision.

(A) At its first regular meeting in December 2007, and in December 2011 and thereafter every sixth year, the council shall appoint and fund a charter revision commission (the "commission").

(B) The commission shall consist of five residents including one from each of the three residential areas. One appointment shall be made by the mayor, vice-mayor and each district council member. Each district council member shall appoint one (1) person from his or her council district. No town official shall be appointed to serve on a charter revision commission. The commission shall commence its proceedings within 45 days after appointment by the council. No person shall serve as a voting member of a charter revision commission more than two times consecutively.

(C) The commission shall be charged with reviewing each and every section of this charter and make recommendations for change. If the commission determines that an amendment or revision is needed, it shall submit the same to the council no later than July 1st of the year following its appointment. Alternative proposals may be submitted by the charter revision commission and/or by citizen's initiative. The council after its review and approval shall submit suggested amendments and revisions to the electors of the town in accordance with the provisions of section 6.1, at the next regularly scheduled election.

ARTICLE VII. GENERAL PROVISIONS

Section 7.1 Severability and Conflict Within the Charter.

No member of the council, town manager, town clerk, staff or a member or employee of the town attorney's office who possesses such a financial interest shall vote on, or participate in the council deliberations concerning, any such contract or sale. The ordinance shall also direct the town clerk to make available to the town council, prior to any public hearing, on the event or matter for which a registered lobbyist may appear all disclosures required herein or as otherwise required by state or County law.

(B) Principals in all items requiring a public hearing must disclose in writing to the town clerk all moneys paid to a person(s) or entity to support or not object to a matter which is set for a public hearing.

Moreover, nothing in this charter shall be construed to alter, abolish, affect or amend the general laws of this state, now in force, or which hereinafter may be enacted relative to or affecting this town, except where such laws are in direct conflict in which case the provisions of this charter or code adopted pursuant thereto shall supersede and be in full force and effect.

Section 9.1 Interlocal Agreements.

Within one hundred eighty (180) days after the election of a municipal council, the town will enter into an interlocal agreement (“interlocal agreement”) with Miami-Dade County to set forth contractual provisions establishing the municipality’s relationship with Miami-Dade County to the extent required by the charter.

Section 9.2 County Services.

The town shall remain a part of and receive services at least equal to the service level as of the date of approval of this charter by the electors of the town, in perpetuity, from the:

- (1) Miami-Dade Fire Rescue District,

(2) Miami-Dade Library System, and

(3) Miami-Dade Solid Waste Collection Service Area.

Private trash collection in place on the date of incorporation within the residential and commercial areas of the town will continue. The county's department of solid waste management will provide services to all new residential customers and continue serving existing customers.

Except as otherwise provided in this article the county shall not have the right or ability to impair or infringe upon the functions and powers assumed by the town upon incorporation.

Section 9.3 Specialized Law Enforcement Services.

(deleted)

Section 9.4 Local Patrol Police Services.

The town shall exclusively utilize the Miami-Dade Police Department for a specific level of patrol staffing for an initial period of three years. The utilization of the Miami-Dade Police Department for local patrol services may only be terminated for cause during this initial three (3) year period. Payment amounts and other pertinent items relating to the provision of local patrol services shall be set forth in a contract between the town and Miami-Dade County. Such contract shall also provide that "the initial three-year period" shall commence upon the execution of the Local Patrol Contract by all parties. At the end of the three (3) year period the town may elect not to renew the Local Patrol Contract at which point a transition period of no less than twelve (12) months will begin.

Section 9.5 Regulatory Control.

The local government comprehensive plan adopted by the Town of Cutler Bay pursuant to chapter 163, part II, Florida Statutes, shall be consistent with the adopted Miami-Dade County Comprehensive Development Master Plan (the CDMP) as it may be amended from time to time, as applied to the sites listed below:

DEPARTMENT/FACILITY	LOCATION
MIAMI-DADE POLICE DEPARTMENT	
South Dade Station (District 4)	10800 S.W. 211 Street
MIAMI-DADE FIRE DEPARTMENT	
Cutler Ridge Station	10850 S.W. 211 Street Saga
Bay/Lakes by the Bay Station	21501 S.W. 87 Avenue
WATER and SEWER DEPARTMENT	
Water & Sewer Pump Station	10350 Puerto Rico Drive

The Miami-Dade County Board of County Commissioners may revise this list of facilities from time to time.

Any use or activity allowed by the CDMP may not be limited or impeded in any way by the local government comprehensive plan adopted by the Town of Cutler Bay. Jurisdiction over the listed sites

for purposes of comprehensive planning, zoning and building approvals (including but not limited to site plan approvals, issuance of building permits, building inspections, compliance with the Florida Building Code or other applicable building code, issuance of certificates of occupancy, zoning applications, special exceptions, variances, building and/or zoning moratoria, and all other types of functions typically performed by building and/or zoning departments) water and sewer installations, compliance with environmental regulations, street maintenance (including sidewalks, if applicable) and utility regulation shall be and is hereby vested in Miami-Dade County regardless of any Town of Cutler Bay code, charter, or ordinance provision to the contrary. So long as Miami-Dade County maintains jurisdiction over the matters set forth in this paragraph, Miami-Dade County shall pay the costs of providing the services described herein.

This provision shall not alter or affect the legal rights of any person residing or owning real property within the town. The town shall not institute, intervene or otherwise participate in, in opposition to Miami-Dade County, any judicial or formal administrative proceeding regarding land use or development of the listed sites, or Miami-Dade County's planning or regulatory requirements for any listed facility of county-wide significance.

These charter provisions shall be deemed self-executing.

Section 9.6 Continuing Obligations as to County Bonds

The county has previously issued its \$41,580,000 Stormwater Utility Revenue Bonds, Series 1999 (the "Series 1999 Stormwater Bonds") of which \$35,400,000 remains outstanding as of May 1, 2005 and its \$75,000,000 Stormwater Utility Revenue Bonds, Series 2004 (the "Series 2004 Stormwater Bonds") of which \$71,485,000 remains outstanding as of May 1, 2005. The county, in its capacity as a Stormwater Utility (the "Stormwater Utility") pursuant to Sections 24-61 through 24-61.5 of the County Code, as amended from time to time and Section 403.0893, Florida Statutes, as amended from time to time, assesses and collects fees (the "Stormwater Utility Fees") in the unincorporated area of the county and within those municipalities that have not been exempted from the Stormwater Utility (the "Stormwater Utility Service Area"). The Series 1999 Stormwater Bonds and the Series 2004 Stormwater Bonds (collectively the "Stormwater Bonds") are payable from the Stormwater Utility Fees collected in the Stormwater Utility Service Area.

The county has issued its \$77,640,000 Public Service Tax Revenue Bonds (UMSA Public Improvements) Series 1999 (the "Series 1999 Public Service Bonds") of which \$65,190,000 remains outstanding as of May 1, 2005 and its \$55,275,000 Public Service Tax Revenue Bonds (UMSA Public Improvements) Series 2002 (the "Series 2002 Public Service Bonds") of which \$52,515,000 remains outstanding as of May 1, 2005 (collectively the Public Service Bonds) prior to the town's incorporation payable from Public Service Taxes (defined below) collected in the unincorporated area of the county. The county receives a public service tax pursuant to Section 166.231, Florida Statutes, as amended from time to time, and as of October 1, 2001, from a discretionary communications tax assessed pursuant to Chapter 202, Florida Statutes and Section 29 of the County Code (collectively, "The Public Service Tax"). Within 180 days of the adoption of this charter, the town shall enact an ordinance, pursuant to Section 202.19, Florida Statutes, authorizing the levy of the discretionary services tax at a rate no less than the rate established by the county for communications services prior to the incorporation of the town.

The Stormwater Bonds, the Public Service Bonds, and any additional bonds issued in the future

secured by the Stormwater Utility Fees (while the town is part of the Stormwater Utility) are referred to collectively in this section as the “bonds”. The Stormwater Utility Fees and Public Service Taxes securing these bonds are referred to collectively in this section as “fees and taxes”.

The town agrees that until the bonds are retired the county shall have the right to receive and apply to debt service on the bonds all of the fees and taxes collected within the unincorporated area and within the boundaries of the town. The county shall continue to collect the Stormwater Utility Fees until the Stormwater Bonds are retired even if the town elects to seek exemption from the Stormwater Utility after incorporation. After the county has paid or satisfied the monthly debt service requirements on the bonds, the county shall make a payment to the town, equal to its share of the remaining fees and taxes on deposit with the county, provided, however, the town will not be entitled to any Stormwater Utility Fees while it remains a part of the Stormwater Utility.

The town’s share shall be all fees and taxes collected within the town annually minus its pro-rata share of debt service (the “debt service share”) on the bonds. The town’s debt service share for the Public Service Bonds is determined by expressing the Public Service Taxes collected within the town at the time of incorporation as a percentage of the total Public Service Taxes collected within the unincorporated area of the county at the time of incorporation applying that percentage to the total annual debt service on the Public Service Bonds. The town’s debt service share for the Stormwater Bonds (and any additional stormwater bonds issued while the town is part of the Stormwater Utility) is determined by expressing the Stormwater Utility Fees collected within the town during the county’s fiscal year in which the town is exempted by the county from the Stormwater Utility as a percentage of the total Stormwater Utility Fees collected within the Stormwater Utility Service Area during the county’s fiscal year in which the town is exempted by the county from the Stormwater Utility and applying that percentage to the total annual debt service on the Stormwater Bonds (and any additional stormwater bonds issued while the town is part of the Stormwater Utility). The town may prepay its proportionate share of the bonds, including accrued interest, at any time during the life of the bonds without penalty.

The intent of this section is to ensure that (i) the county will be in compliance with the bond covenants regarding the collection of the fees and taxes; (ii) the town continues to pay its debt service share until the bonds are retired.

Section 9.7 Favored Nation Status

If a subsequent incorporation is approved without the newly incorporated area being required to remain in the Miami-Dade Fire Rescue District, Miami-Dade Library System, Miami-Dade Solid Waste collection service area, or without contracting with the Miami-Dade Police Department for local patrol police services, the town will be entitled to modify its relationship with the county, so that the town will not be required to receive that particular service from the county. The provisions of this section, only apply to the service or services modified, and in no way alter the agreement regarding the remaining services.

Section 9.8 Rights of the Town.

The town will be granted all rights powers and privileges afforded to all municipalities and provided under the general laws of the State of Florida subject only to the restrictions placed upon it by this charter and Miami-Dade County’s Home Rule Charter. The town will receive all other municipal

revenue sources such as utility taxes including those that the county by right or may otherwise retain, such as the franchise fees, (which the county shall have exclusive authority to determine the town's proportionate share) and will continue to receive all services that are provided to cities under the county-wide budget.

Section 9.9 Modifications.

Any modifications to Article IX will require:

- (A) All approvals normally required by the municipal charter, and
- (B) Approval by an affirmative vote of 2/3rds of the members of the Board of County Commissioners then in office, prior to a vote of qualified municipal electors.

Section 9.10 Community Redevelopment.

Pursuant to Chapter 163, Part III, Florida Statutes (“act”), Miami-Dade County (“county”), as a home rule charter county, has the authority to create a community redevelopment district (“district”) anywhere within its boundaries.

The county is in the process of creating such a district which includes a portion of the town, this portion being generally described as the area bounded on the south by Canal C-I (Black Creek Canal), on the West by S.W. 112 Avenue, on the north by State Road 5 (U.S. I), including the area to the west of State Road 5 and east of the Busway between S.W. 112 Avenue and Caribbean Boulevard, and on the east by State Road 821 (Homestead Extension of the Florida Turnpike). The town, acting through the governing body of the town, shall adopt a resolution approving the community redevelopment plan or plans for the district (“plan”) in accordance with the agreement between Cutler Ridge and Goulds representatives regarding incorporation boundaries and related issues dated July 13, 2004, pursuant to Section 163.356(1) of the Act within forty-five (45) days from the date it receives the plan from the county. The plan shall include programs to remove blighting conditions, further the economic development of, and further the creation of affordable housing and jobs within the Goulds/Town of Cutler Bay redevelopment area. The plan shall conform to the requirements of Section 163.360, Florida Statutes.

Section 9.11 In Remembrance of Those Who Lost Their Lives.

The electors of the Town of Cutler Bay wish to recognize and remember those who died in New York City, at the Pentagon and in Pennsylvania on September 11, 2001. A date which will always be referred to as 9/11.

Section 9.12 Dedications, Conveyances, Covenants and Commitments.

The creation of the municipality shall in no way release, eliminate or modify the obligation of any person or party to convey or provide to Miami-Dade County, or the right of Miami-Dade County to obtain and enforce, any benefit, payment, conveyance, right, title or interest of any type or nature, which has been committed, promised or otherwise obligated to Miami-Dade County as of the

effective date of this charter, whether by contract, agreement, development order, declaration of restrictive covenants, dedication, requirement of law, ordinance or other regulation, or any other means.

The county may at its sole discretion, however, assign, convey or otherwise transfer by appropriate legal instrument to the town such benefits, payments, conveyances, rights, titles or interests as may be of a municipal nature.

The municipality shall not release, modify or eliminate any such obligation imposed by development order, declaration of restrictive covenants, law, regulation or ordinance without the prior written consent of Miami-Dade County.
